Unforgettable

As we begin each day with a spectacular dawning, we begin our lives anew with the starting of high school. Each of us shall long remember our special friends and that special teacher who is always there when you need extra help. With this we get used to our daily routine, getting to school by bus, car, or foot. Soon you're at school. If only you can survive the rush to get to class without being trampled your day just might go well.

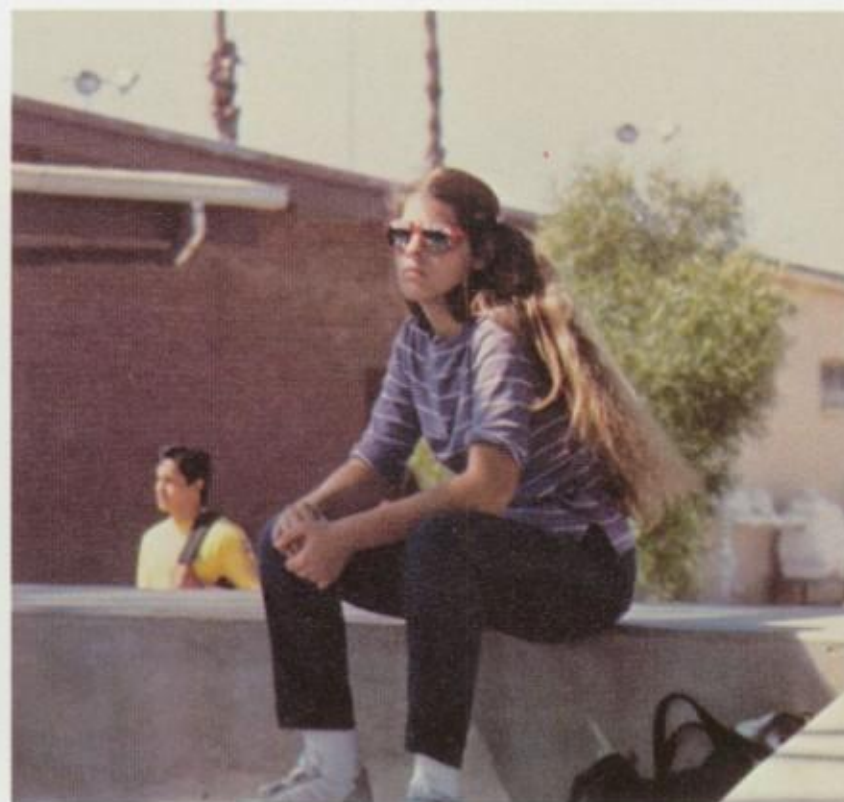

First stop is your locker and you try to open it without having its contents spill out. Inside are the remains of a once orderly place. Now it looks like "no mans land", with the pages of your loose leaf notebook sticking out in every direction. How can you find your books with your favorite pinups, stickers, and a mirror in the way?

On your way to the Wolverine Den you happen to notice the line of people trying to get their breakfast and lunch tickets, and you think to yourself "boy, I'm glad I brought my lunch." Finally you enter the "den".

In the Wolverine Den you chat with friends, eat, wait for friends or just study. The den is truly a place for all seasons. In the summer the students come here for the shade. In the winter they mass together for warmth.

Soon the bell rings and you're on your way to class. You begin to think "I hope I didn't do as bad as I think I did on that test", or perhaps "I should study more, I really should". Day dreaming, girlfriends or boyfriends, and generally being lazy are just a few of the things which might cause grades to slip

— not a pleasant happening. When this happens you begin to really study and although it may seem like you're not getting anyplace, it pays off in the end.

When you open the door to your first class of the day you see one of the most important factors in your life: a teacher. Whether you realize it or not teachers have a great impact on our lives. We spend a great deal of time with them. Not just in classes, but in sports or other organizations. I'm sure I will remember some of my teachers for the rest of my life. I will also remember the school itself. I have spent four of the most important years of my life here.

But if I do need to jog my memory concerning this school year all I have to do is page through this book. With the combination of my memories and this yearbook, the 1984-1985 school year is totally unforgettable.

Get Excited, Get Interested

Your four years in high school may not be as unforgettable as you may hope if you aren't excited or interested in the classes and other programs here at Tolleson.

Tolleson offers a wide variety of elective courses. It is hoped that most all students will find an area of study that excites or interests them.

Required courses are made interesting by good teaching and innovative methods. Mr. Gilbert Lucero and Mr. William Bentley (pictured at right) teach American Industries. American Industries is a required course, but many students would take it even if it wasn't a requirement for graduation. In A.I. the students learn about different economic systems and the principles of industry. Then the students actually form a company, sell stock, design a product, manufacture a product, sell it, pay off the stock holders and dissolve the company — all in one semester! It's all hard work but exciting and interesting too.

Get Involved!

This year everybody seems to be getting involved in clubs, organizations and all kinds of extracurricular activities at Tolleson. And though participation is increasing there is always room for more students to get involved.

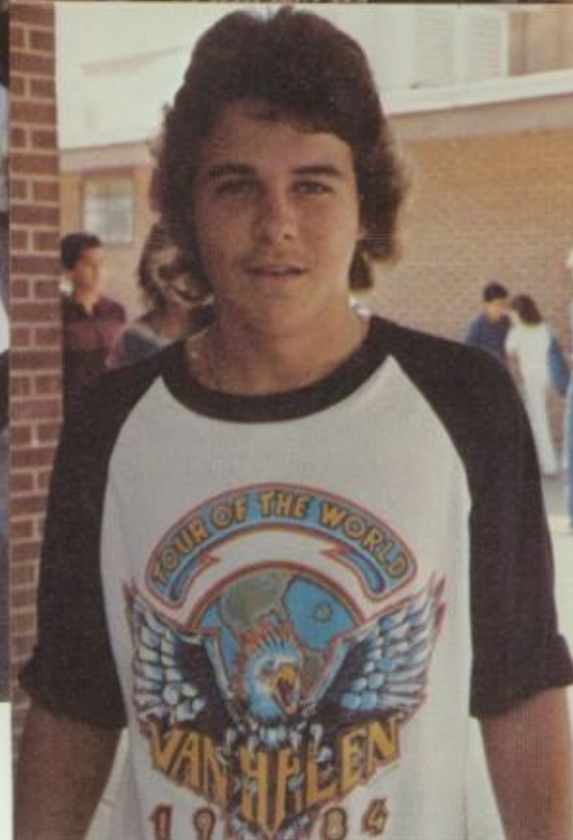

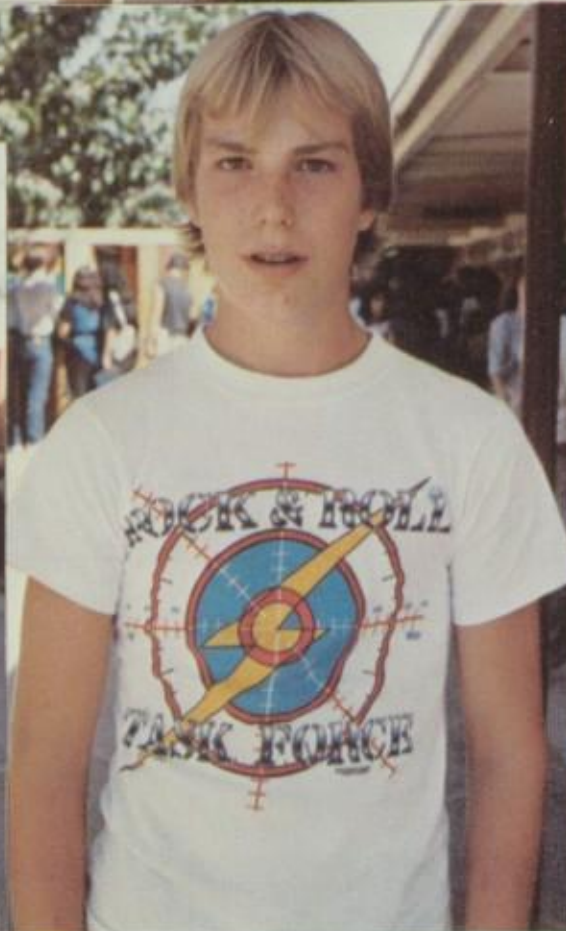

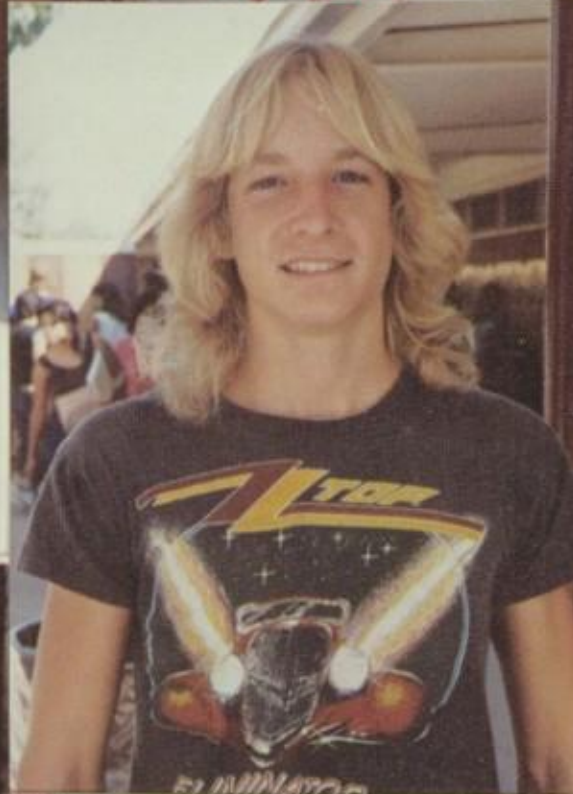

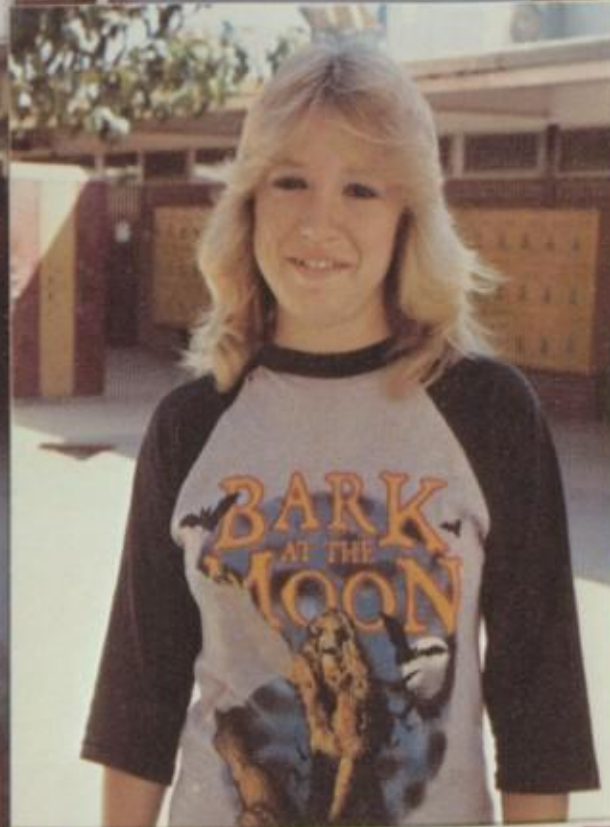

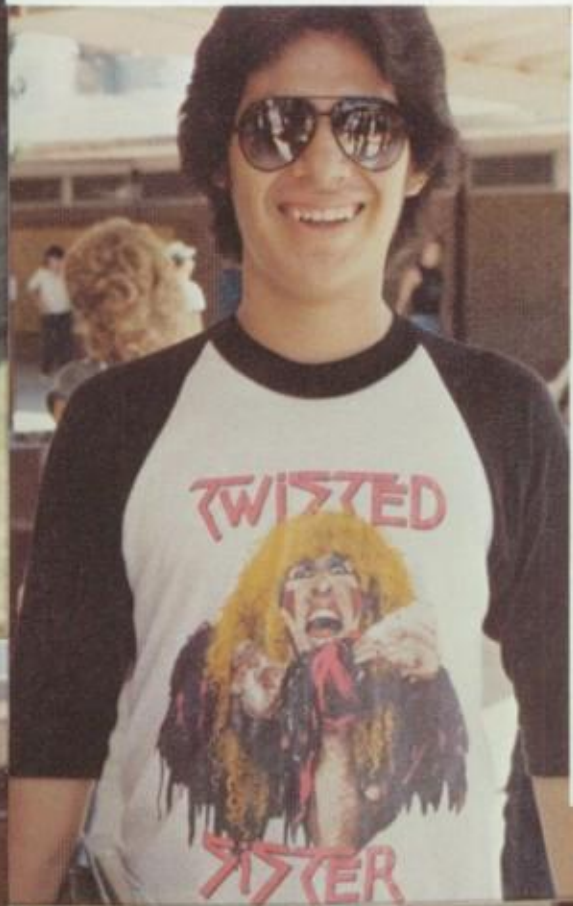

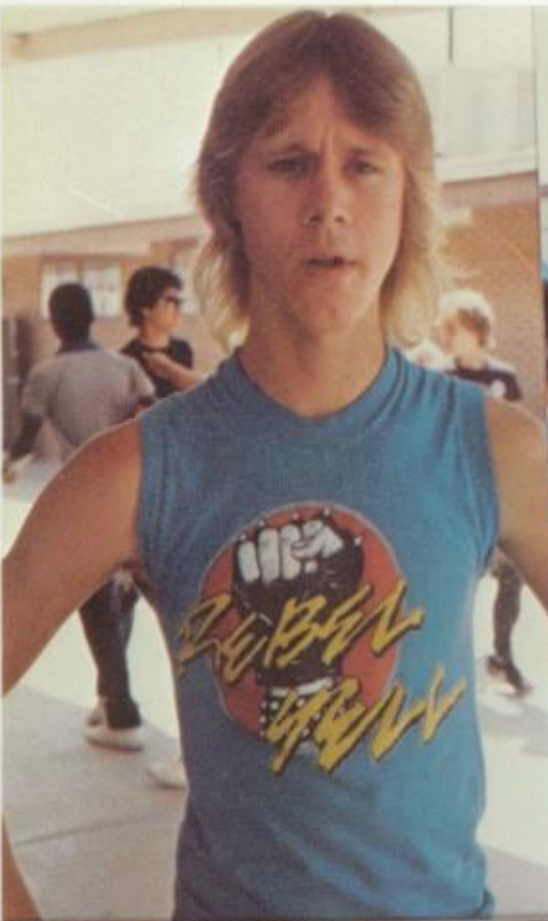

Clubs such as Model U.N., Future Homemakers of America (FHA), Future Business Leaders of America (FBLA) and Science Club are not only worthwhile after school activities but also enhance each student's total high school education. Clubs serve to augment regular classroom work and even go beyond normal academic studies.

Many organizations are also classes and serve as a showcase for talented students. The Wolverine Band, Jazz Band, and Concert Choir provide the opportunities for talented musicians to perform. The Drama Department gives students acting and play production experience. And student government affords students the opportunity to learn decision-making firsthand.

Many classes are more activity oriented and seem more exciting to the students. Some students comment that they took a course because it was more like a hobby than a class. Auto Shop, Industrial Arts, Photo Lab, and Art are popular choices. But it doesn't stop there. Tolleson offers more activities for the spirited and involved student. Cheerleading, Mat Maids, Pep Club, and Future Farmers of America are just a few. And how about those after game dances and talent shows? Getting involved in any of these will provide for wonderful and exciting memories for the rest of your life.

T-shirts

As Fashion

T-shirts. That's what you'll find on this campus, but are they fashion? One of the most important aspects of fashion is style: It has been said; "You need style before you can consider it fashion." Are T-shirts stylish enough to be called fashion?

No matter who you are at one time or another you'll find yourself wearing a T-shirt. T-shirts express a person's mood, and attitude. Some shirts hold memories, a rock concert that you attended, or a place you visited. There's a T-shirt for every occasion. Wearing T-shirts is a prevailing style at Tolleson.

T-shirts are up-to-date. They reflect what's going on now! As soon as a rock group gains popularity a T-shirt bearing their name appears. New slogans, and catch phrases are quickly seen on T-shirts.

Many students at Tolleson wear T-shirts similar in style to what their friends wear. It's easy to tell the difference between preppies and breakdancers by the T-shirts they wear.

T-shirts are suitable to many different social occasions and really keep up with the times. Think about it, these are some of the qualities that the stylish "high fashion" clothes have. Are T-shirts fashion? Sure they are — just ask the students at Tolleson.

Talk-Talk

BAD — good; (good however is not bad, it's good)

BURN — an insult; Example: "You're ugly and your mother dresses you funny."

BUZZARD — A person who is hard to get along with. "All that guy does is complain — what a buzzard."

CHILL OUT — "calm down right now!"

COOL — If you don't know this one where have you been all your life?

DURR — "like, oh wow"

FEROCIOUS — Someone who looks dumb, mean, ugly or otherwise unattractive.

FREAK — A strange person; a very very strange person.

FRESH — new, good "That guy break dancing at the dance really has a fresh routine."

GOOBER — A person who lacks great wisdom; well, actually any wisdom. Question: "How many goobers does it take to change a light bulb?" Answer: "Five, one to hold the bulb and four to turn the ladder."

GOONEY GOO GOO — not acting your age. "That gooney goo-goo always takes a teddy bear on a date."

HOSER — Something you can call your brother when your parents are around. "Bob you're a hoser." "So are you, Doug."

KICKBACK — taking it easy, doing nothing

PARTNER — a best friend

RAT — ugly, ugly, ugly, ugly, ugly

SCAB — a person who wants everything first; selfish; greedy. "What scab ate the last piece of pizza?"

SCALLYWAG — A person of low moral character. "That scallywag would take candy from a baby."

SCUM — someone who grows on you

SPACE CADET — they're somewhere but not here.

A Bar-B-Que, and Football Too!

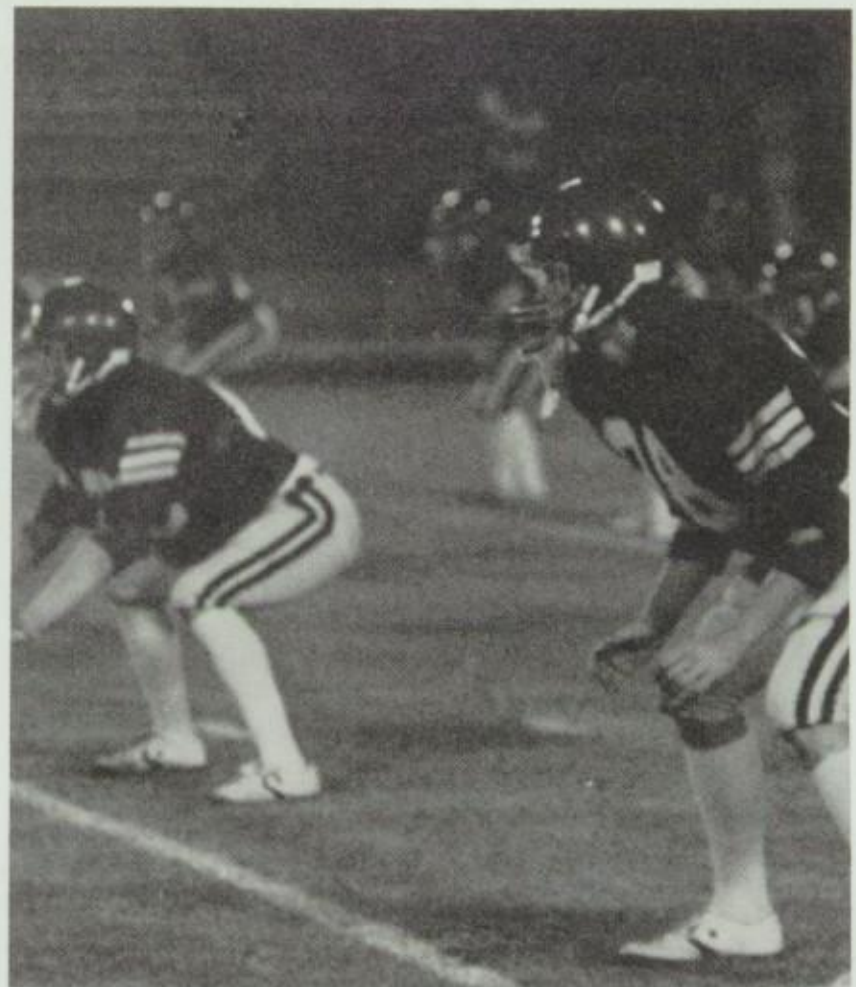

Running Out of Room?

"You've got to be kidding! Not Mark Cravens." Mark completely devoured his watermelon first at the watermelon eating contest and was declared the winner. Congratulations Mark!

This year's Fall Kick-off Bar-B-Que started the year off right. The night began with an all-you-could-eat Bar-B-Que dinner including beans, salad and dessert. The program was introduced and emceed by Gloria Rodriguez, Student Body President. Presented on the program were: the Varsity Football Team and head coach Mr. Thurman Simmons; the Varsity Cheerleaders, sponsored by Mrs. Lisa Soltesz and Mrs. Loretta King; the Pom Line sponsored by Mrs. Grace Garcia; Boys and Girls Cross Country Teams coached by Mr. Tom Kirsch and Mrs. Cathy Gottlieb; Girls Volleyball coached by Mrs. Sue Hysong, Boys Golf coached by Mr. Al Mroski, and the Wolverine Band and Flagline directed by Mr. Ken Jaeger.

The night was full of fun, music and excitement. It was a night to remember!

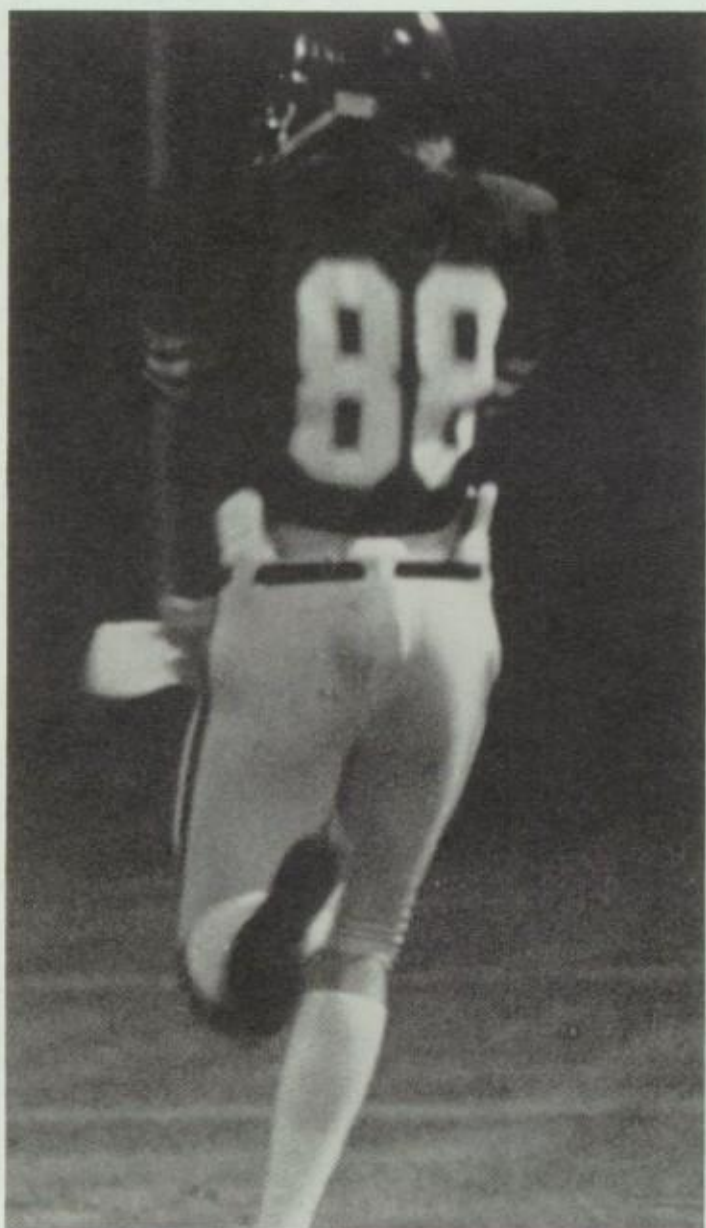

Sports — A Valuable Experience

Football is just one of the many sports programs offered by TUHS. Sports, such as football, afford students the opportunity to participate in organized sports. Students often meet new friends and gain school spirit. Good sportsmanship is also learned. Students seeking new friends, new experiences, and new learning activities would do well in going out for one of the many sports offered by Tollesons athletic program.

The first football game is a good example of how committed the students at TUHS are. Tolleson got an outstanding start this year by slashing the Sunnyslope Vikings 20-0. "Shorty" Donahue gained an incredible 285 yards rushing. Freshman kicker Charles Hrabowy boot-ed two field goals of 30 and 21 yards.

Students who, like the members of the football team, take advantage of school sponsored sports will leave Tolleson Union High School with vivid memories. They will have gained the kind of experiences that will greatly help them function in what ever career they may choose. It's these positive memories that should be and usually are — unforgettable.

seniors

"Seniors Speak Out"

"These four years at Tolleson have been great!"

— Hector Penunuri

"Today is the beginning, tomorrow is the future."

— Shelley McKee

"I really enjoy Tolleson's school spirit."

— Arlene Bejarano

"There will be a lot of memories of my years and my friends at Tolleson."

— Patsy Fernandez

"After my senior year at Tolleson it will be a big step into the future."

— Valerie Spencer

"I'll have good memories instead of bad ones of my senior year."

— Carrie Schmidt

"When I graduate I'll get a feeling of accomplishment."

— Sherrie Kuncheloe

"I've been waiting for this year for a long time."

— Ida Ayala

"We've worked so hard to be the best we could."

— Troy Vandre

"Your senior year should be the best and if you're involved it will be."

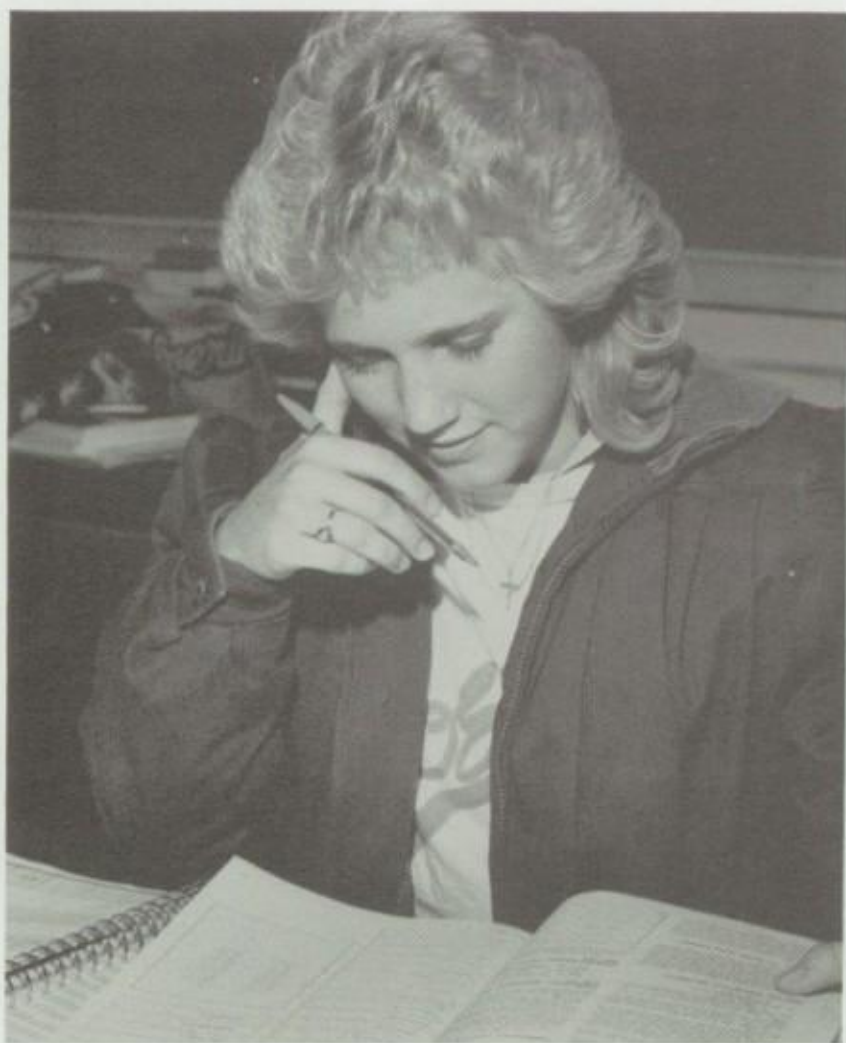

— Joe Dunnigan

The Tolleson Union High School 1985 Senior Class

Senior Class Officers

Senior class officers, Diana Collins, Kelly Richter, Allison Ong, Lisa Roberts and Mike McCarty set the pace for student government by promoting school spirit, sportsmanship, fellowship and assist in developing the school in many positive directions.

Tolleson Union High School's Administration

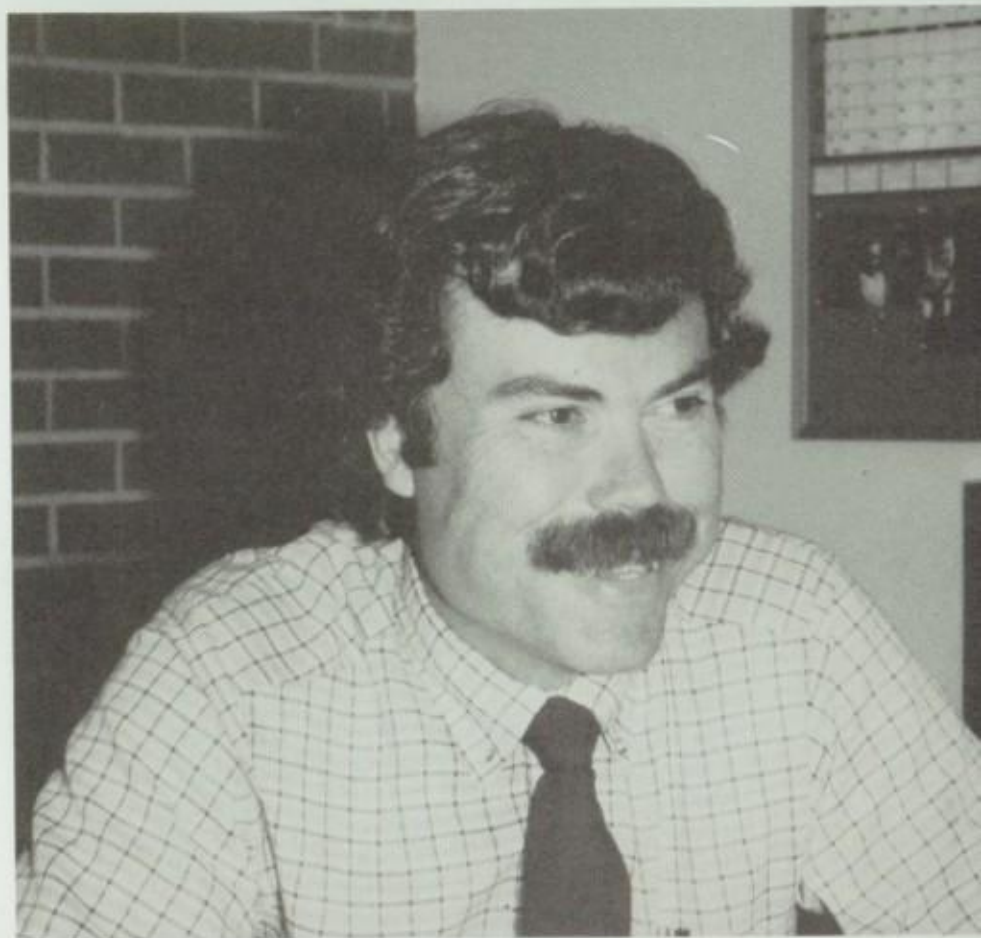

DR. CHARLES A. LANDIS is superintendent of the Tolleson Union High School District. Dr. Landis oversees all operations of the district and the school. Dr. Landis has been with the district 6½ years.

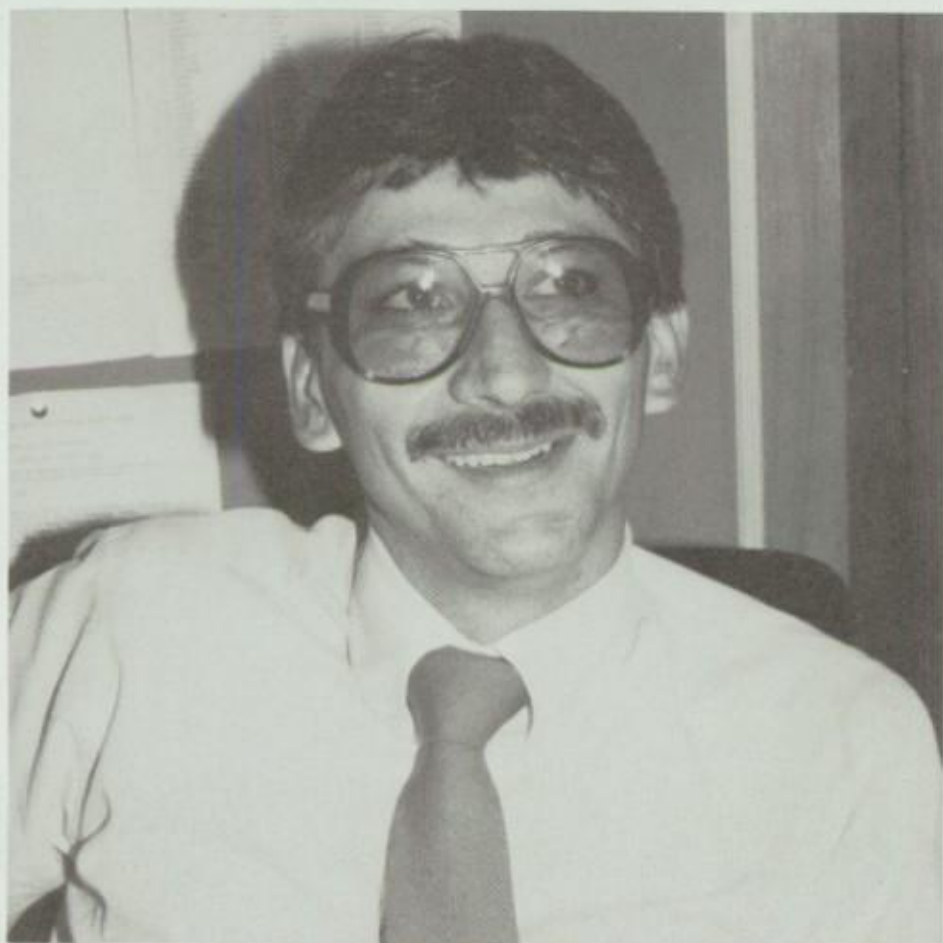

Associate Principal MR. KINO FLORES is also Tolleson's Athletic Director. In addition to handling such things as school and activity schedules Mr. Flores oversees the athletic program and sports schedules.

Curriculum is the main responsibility of MR. DAVE SPELLMAN, Assistant Principal. Mr. Spellman must also deal with the huge job of student schedule changes each semester.

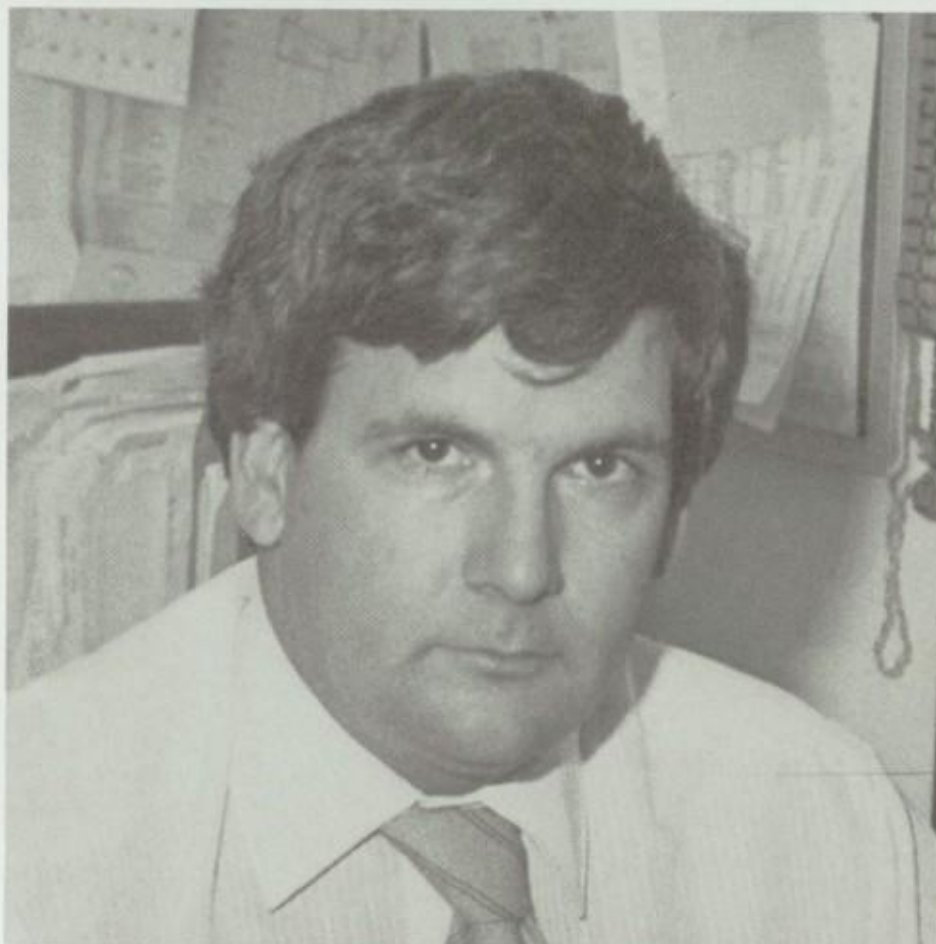

All aspects of student discipline are dealt with by MR. RICHARD ZIELINSKI, Assistant Principal. Discipline Policy, suspensions, and bus discipline are all the responsibility of "Mr. Z"

MR. "SONNY" PEÑA is the Assistant Principal in charge of our attendance and tardy system. "Ditchers" and "slowpokes" all have to face him sooner or later. Mr. Peña also oversees the maintenance of our school buildings and grounds.

The school budget, payroll, purchasing and inventory are all the responsibility of MR. KERMIT SMITH, Business Manager. Mr. Smith also oversees the operations of the school bookstore.

"Tolleson is unforgettable due to the friendly, caring atmosphere created because the students here want to go to school." — Dr. Charles Landis

Fine Arts

FINE ARTS at Tolleson includes art courses, ceramic studies, photo lab and vocal and instrumental music. These courses develop the individual in the visual and performing arts. Our Fine Arts instructors include: (shown from left to right) Jack Wolfe, Photo Lab; Charlotte Dehos, Art; Diane Phillips, Ceramics and Department Chairperson; Ken Jaeger, Band, Guitar and Yearbook. Not pictured are Beth James, Vocal Music and Guitar; and Shirley Sommerhalter, Art.

AUTOMOTIVE MECHANICS stress mechanical skills and automotive repair. Courses include Power Mechanics, Auto Mechanics 1 and 2 and Vocational Auto Mechanics 3 and 4. Auto Shop instructors Ralph Anderson, Gerry Muir and Dave Brosius also emphasize the beauty and practicality of the Volkswagon "Bug" as their taste in automobiles.

Auto Mechanics

Vocational Agriculture

VOCATIONAL AGRICULTURE offers students experience in the production of crops and in animal management. Ag students benefit from the experience of instructors Fred Bennet and Paul Wellmen, who also teach welding, electricity, large machinery management and horticulture in their programs.

The wide range of courses offered by the BUSINESS DEPARTMENT typify the diversity in the business world today. Courses include Typing, Word Processing, Accounting, Shorthand and Business Machines. Data Processing and Computer Programming emphasize that the technological advancements in today's businesses. Tolleson's Business Education teachers include: Jackie Roberts, Department Chairperson; Yvonne Hutchinson, Linda Snider, Nancy Sharpe, Lisa Soltesz, Kitty Robinson, Carmen Palacio-Lasure, Sue Hysong, and Dave Sausedo.

Business

English

Students have a wide range of choices for their four years of ENGLISH at Tolleson. Courses range from basic English all the way to Drama and Electric Media. The English Department faculty includes: (front row from left to right) Syl Zecca, Win Angeline and Cindy Rudrud. (second row) Lorraine Lupan, Bill Salazar, Nancy Loucks and Mitzi Schireman. (third row) Ed Cooper, Linda Bruckner and Laurel Fritz. (back row) Sue Salem, Carol McElroy and John Pfau. (not pictured) Marcario Candia, Carol Lucero, Richard McElroy, John Nugent and Michael Warren

Stan Jackson, Ann Layton and Hal Fish comprise the FOREIGN LANGUAGE Department. Spanish, French, and German are included in the curriculum. Exploring foreign languages includes learning about the customs and culture of the people who speak these languages.

Foreign Language

Home Economics

Like to cook? Our HOME ECONOMICS Department offers Beginning Foods and Advanced Foods. How about sewing? Beginning and Advanced Clothing Construction are also included. Home Ec instructors are: Jan Bean, Sonia Segond, and Marilyn Keller also teach Living (and working) With Children, Psychology of Living, and Single Survival.

Have a problem with what classes to take? job choices, what college to attend? Career decisions? Or maybe a personal problem. Your GUIDANCE counselor is here to help you make it through school. Our Guidance Department consists of: (front row) Heredia Sanders and Pat Stewart (back row) John Barchi, Liz Helm, Dan Garcia, and Loretta King.

Guidance

Industrial Arts

The INDUSTRIAL ARTS program offers students a wide range of practical, hands-on courses to the students who are seriously interested in developing skills in Drafting, Electronics, Graphic Arts, Metals, Woodworking Skills, and Building Trades. All of these courses offer valuable skills for the future, either as a career or as a hobby. Our Industrial Arts Department faculty includes: (front row) Gilbert Lucero; (row two) Dean Humphrey, Phil Denette, John Zadronzy, and Bill Bentley; (back row) Elsie Busse, aide, Jim Halterman, Phil Woodring, Chuck Loucks, and department chairperson Kevin Chaffee.

Tolleson's MARINE JROTC program is consistently one of the finest in the nation. Each year our Male and Female Drill teams bring home top awards from meets and competitions across state and from around the country. ROTC courses include up to four years of Leadership training and Marksmanship. ROTC instructors are: G/Sgt. Pat Campbell; M/Sgt. Pat Parsons; and (not pictured) Col. Ray Fridrich.

Marine JROTC

Mathematics

Physical Education

MATHEMATICS is a big part of our daily lives. What ever we do after high school, math will be there. From counting change, to preparing billings, to making deposits, to taking inventory. A solid foundation in math is essential to be successful in college or a job. Our mathematics Department faculty makes sure that Tolleson students have good math skills when they graduate. The Math Department faculty includes: (first row) Judy Chancey, Anita Gallegos, math aide, Janice Malone, Jan Burkardt, department chairperson, Dan Johnson and Maria Medrano, math aide. (back row) Bill Sullivan, Tom Inman, Dave Martiney, Phil Evans, Christie Elder, and Martha Dauphinais.

PHYSICAL EDUCATION (P.E.) involves more than just playing ball. At Tolleson individual as well as team sports are emphasized. Water sports and physical fitness are also essential parts of the P.E. curriculum. Weight Training includes rugged and vigorous weightlifting and conditioning running.

Health class studies our human physical, mental, and social health. Our P.E. department includes: (front row) Steve Turkovich, Mary Benjamin, Gloria Cubedo, (back row) Roy Moreno, Jerry Daughtery, and Dan Roberson. (not pictured) Lyle Kelly.

Science

For those students excited by the study of plants, animals, and chemistry, the SCIENCE DEPARTMENT offers all these and more. Geology and Physics are two more popular science courses at Tolle-son. Our Science faculty includes: (front row) Barbara Garcia, Jan Adams, Tom Kirsch, Bonnie Thompson, Lucille Williams, (sec-ond row) George Gutierrez, Enri-que Lorona, Larry Gottlieb, Elaine Campbell, and Cranston Hysong.

SPECIAL EDUCATION Resource classes are available to those stu-dents needing assistance in the re-quired areas. Our Special Ed facul-ty includes: (first row) Rita Fisher, Nancy McKiernan, Sandy Fleck, Gloria Rubio, Jim Baker, (second row) Cruz Hernandez, Nancy Lo-pez, Barbara Davinson, Gail Ivins-ka, (back row) Joe Marin, Bob Kirschenbaum, Kathy Gottlieb, Lupe Sapien, Maggie Santana.

Special Education

Social Studies

Migrant Tutoring

Our SOCIAL STUDIES Department offers World History, U.S. Government as well as Arizona History and Government to all Tolleson students. Members of the Social Studies Department pictured above are: Cathy Lumm, Larry Odle, Steve Kozimor, and Ken Cummings, Department Head. Not pictured are Bill Bentley, Earl Lulloff, Abel Morado, Rudy Rosales, and Ken Salas.

MIGRANT TUTORING is recommended for all migrant students as supplemental instruction. Richard Camacho is our Migrant Tutor and Francis Martinez is the migrant teachers aide.

Un-Sung Heros

Transportation — Rhonda Mortensen, Detta Jackson, Lee Runnels, Manual Moncias, Jerry Squire, Doris Carrillo, Midge Downard, Valerie Underwood, Joan Hatfield, Kathy Slade, Norma Sullivan, Slim Hood, Sylvia Mortensen, Soccoso Pina, Wanda Winburne.

Hands On At Tolleson

When you think of school, you usually think of the three "R's" (readin', writin' and 'rithmetic). But at Tolleson, some classes feature "hands-on" learning activities where the student actively participates in the class. Students may make a product, sing, play an instrument, program a computer, fix a car, paint a picture or cook a meal.

Tolleson offers a wide variety of areas of participation classes for students to choose from including agriculture classes, drama class, computer programming classes, ROTC, auto shop, home economics classes, industrial arts and fine arts (music, art and photography). Many of these classes are "elective" courses, ones in which the student has some freedom in choosing.

Profit and Loss

Tolleson's American Industries class is a required class. "It's the most fascinating class on campus," says Mr. Gilbert Lucero, American Industries teacher. American Industries is described by Mr. Lucero as a system of free enterprise and manufacturing products.

Students form a company and then design a product. They raise money by selling shares of stock. The money is used to buy materials and set up production. After the product is manufactured it is sold. If a profit is made it is divided among the stock holders.

This year A.I. students went to Clifton, Arizona with Mr. Lucero and Mr. Chuck Loucks to dig up antique railroad ties for their products. These ties were turned into bookends, name plaques, paper weights and pen and pencil sets. The products were sold with a certificate of authenticity. These were very successful products.

How Does Your Garden Grow?

Agriculture classes are diverse in nature. Subjects range from horticulture to agricultural mechanics. The large agriculture facility even contains a greenhouse where prize winning plants are grown.

Pictured at left is Marcy Bernhard tending to her greenhouse duties and John Newman doing a little welding.

Unforgettable Play!

Advanced Drama Class studies and performs many types of plays throughout the year. In late October Mrs. Nancy Loucks produced a play entitled "The Crucible". There were two presentations and both were standing room only. There was even talk of a third surprise performance to satisfy those who had been turned away. It was truly one of the most-memorable events of the 1984-85 school year.

Datawocky For Some

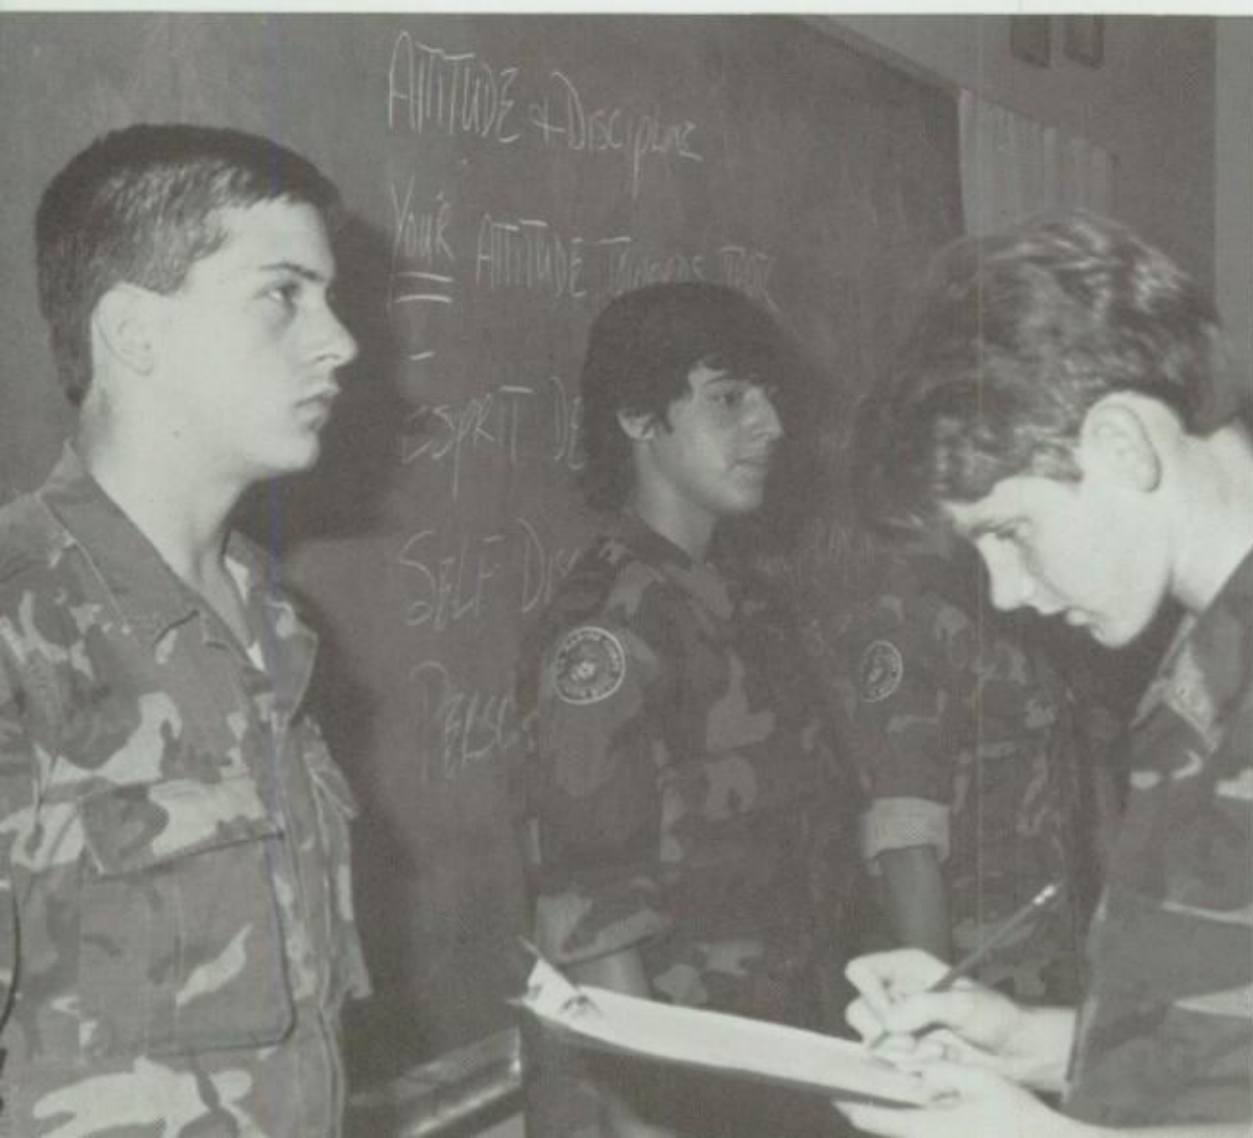

New Computers

This year TUHS spent \$83,000 on new IBM computers, which included printers and software. The new computers are used for basic computer classes, which are offered by the Business department.

The school's administration also takes advantage of the new computers by keeping some students records on file in the computer.

Inspected and Inspected

Learn Leadership!

Would you like to be a leader? Well JROTC is the place. It not only shows you how to be a leader it can introduce you to the military.

Part of the leadership training is accomplished by a weekly inspection, that's the reason you see the JROTC students walking around in camouflage uniforms on Wednesdays.

They have inspections during class and wear the same uniforms so they will be equally evaluated. They iron their uniforms the night before and shine their shoes to make the best impression.

Not Just For Girls.

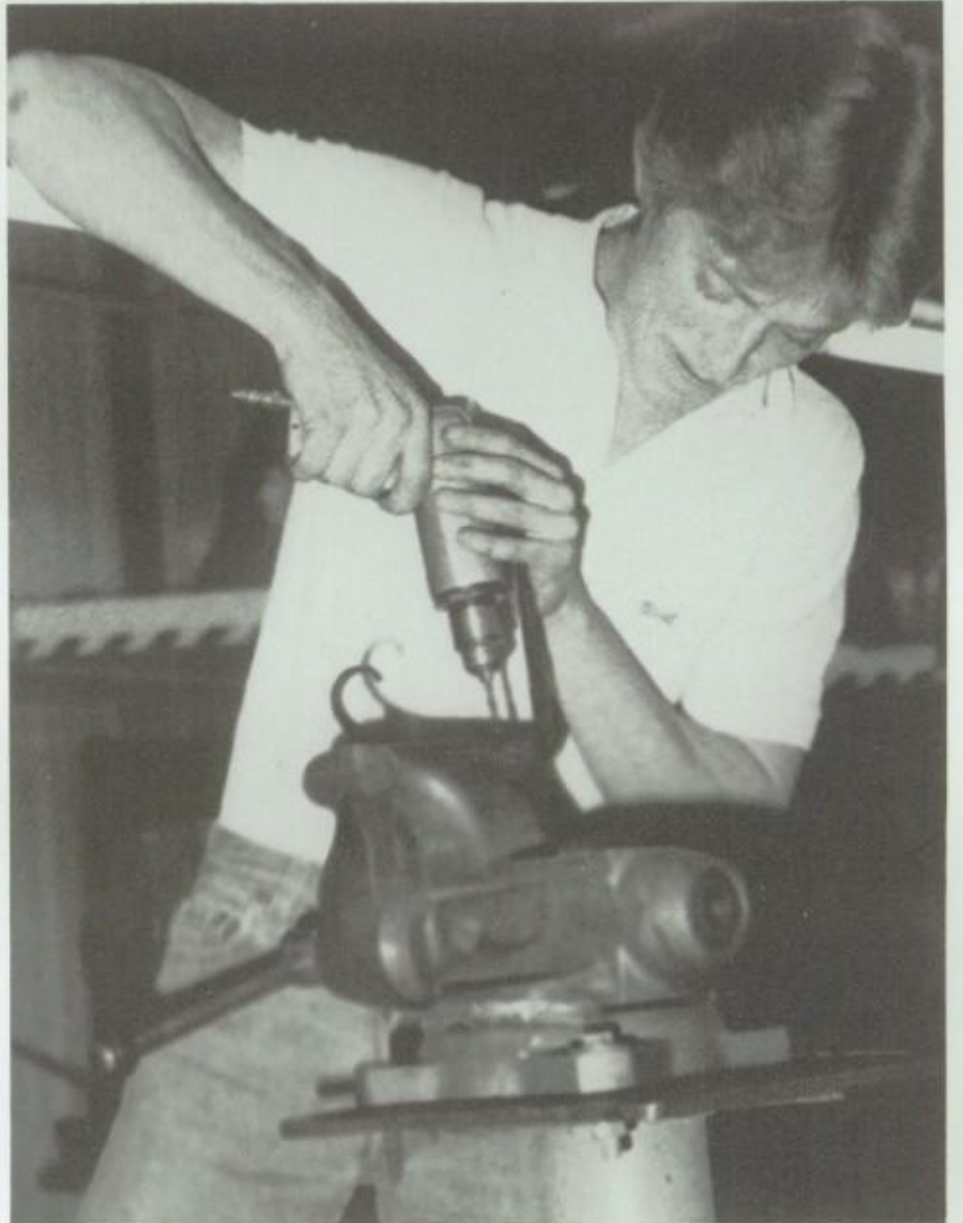

To prepare for the future many students take a Home Economics class. These classes offer many skills for many people. Everyone usually thinks its just girls who take Home Ec but that's not true, there are guys in the classes too. You can learn to cook so many different recipes and you get to eat it! (or have to eat it) There are also sewing classes offered. Those who want to make high fashion clothing can. The next time your talking to someone wearing unusual clothes look at the threading real close and you'll know.

"First Hand" Learning

Tolleson offers a very established automotive program for those students who like working with their hands. Auto is a "first hand" learning experience where you get "hands on" training. This is the type of class that can't be taught just in the classroom. You actually have to work! So for those students who like to work with their hands and don't mind looking like a "grease monkey" once in a while Auto is for you!

Explore I.A.

Occupation-Versatility (pictured left) allows students to explore Industrial Arts. Projects, experiments, and activities are available in all the unit areas of Industrial Arts: woodworking, metals, electronics, plastics, graphic arts, drafting, and industrial crafts.

The class is student managed. Students keep track of their time and material costs, "a real world" situation. Projects, experiments, and activities are chosen by the students. A "plan board" will give them instructions and direct them to other resources; books, films, or video tapes. If further help is needed one of the OV instructors is always ready to lend a hand.

Many students find that OV is one of their favorite classes. Almost all class work is hands-on and this type of learning appeals to many students.

Classes In Art

Art classes (pictured above) are not ordinary classes. Many students love to create with their hands, and pack as many art classes into their schedule as possible.

Art first exists in the mind and yearns to be created in the physical world. Using a medium the artist can make the art in their mind visible to others. Classes in art can help the student visualize the art of the mind and teach the artist how to make that art actually exist.

Art Club

Need a printed shirt for your club? Talk to an ART CLUB member, they specialize in silk screening club shirts for organizations on campus. They can also design it for you. In addition to the club shirt work, the members also do posters for plays and art festivals. Members also work on their own art.

ART CLUB members are: (1st row from L to R) Chris Vidoni, Kim Carter, Mrs. DeHos, David Cox, Tanya Loucks, Herman (mascot), Veronica Arrendodo, (2nd row) Rona Easterday, Claudia Nandin, James Salas, Irene Arrendondo, (3rd row) Mike Taylor, and Scott Everson.

Organizations

APROPOS is staffed by: (1st row from L to R) Lowell Larson, Frank Holloway, Lisa Wipperech, (2nd row) Kris Ogden, Becky Ayers, Leesa Pogue, Anne Gross, (3rd row) Doug Ayers, Paul Vasquez, Rob Roat, Donna Perry, and Miss Fritz.

Apropos

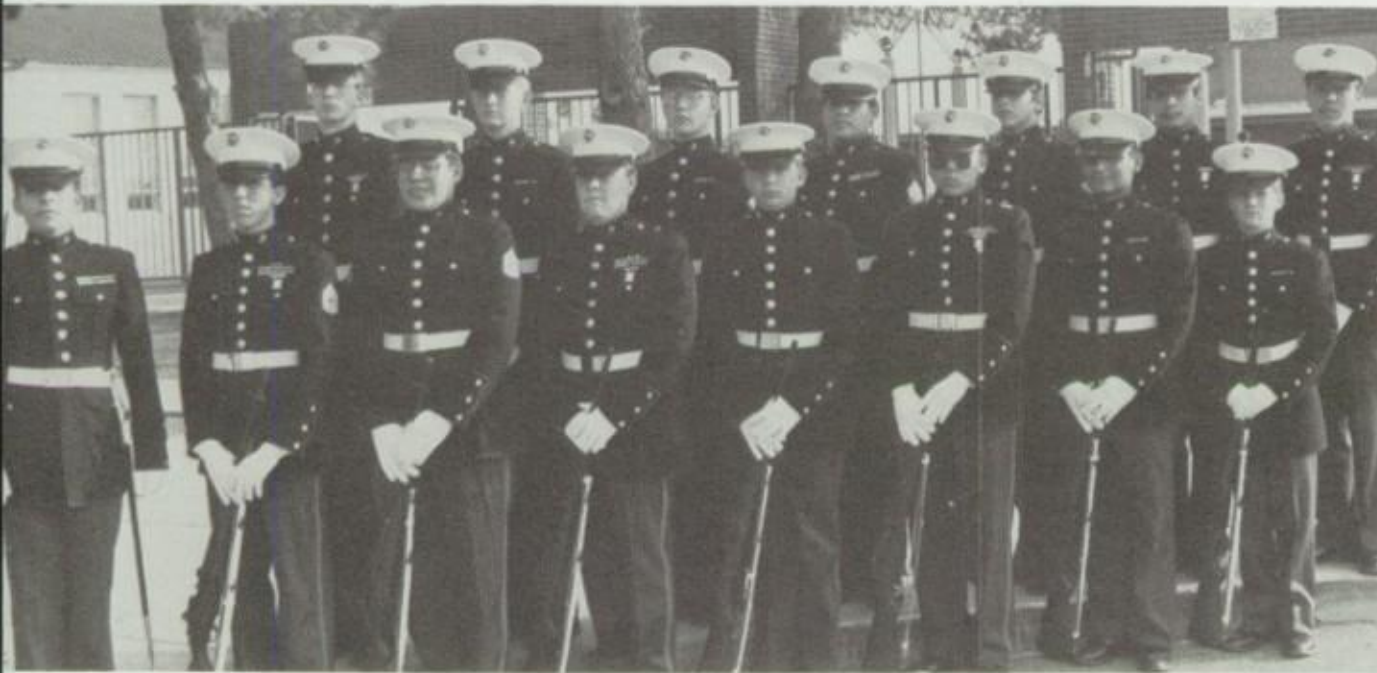

APROPOS, the T.U.H.S. magazine of the fine arts, comes out once yearly, usually in April. It includes poetry, short stories, photos, drawings, and essays, all done by the students and staff of T.U.H.S.

APROPOS is now in its 20th year. It has won many national awards.

Hard Work Pays Off

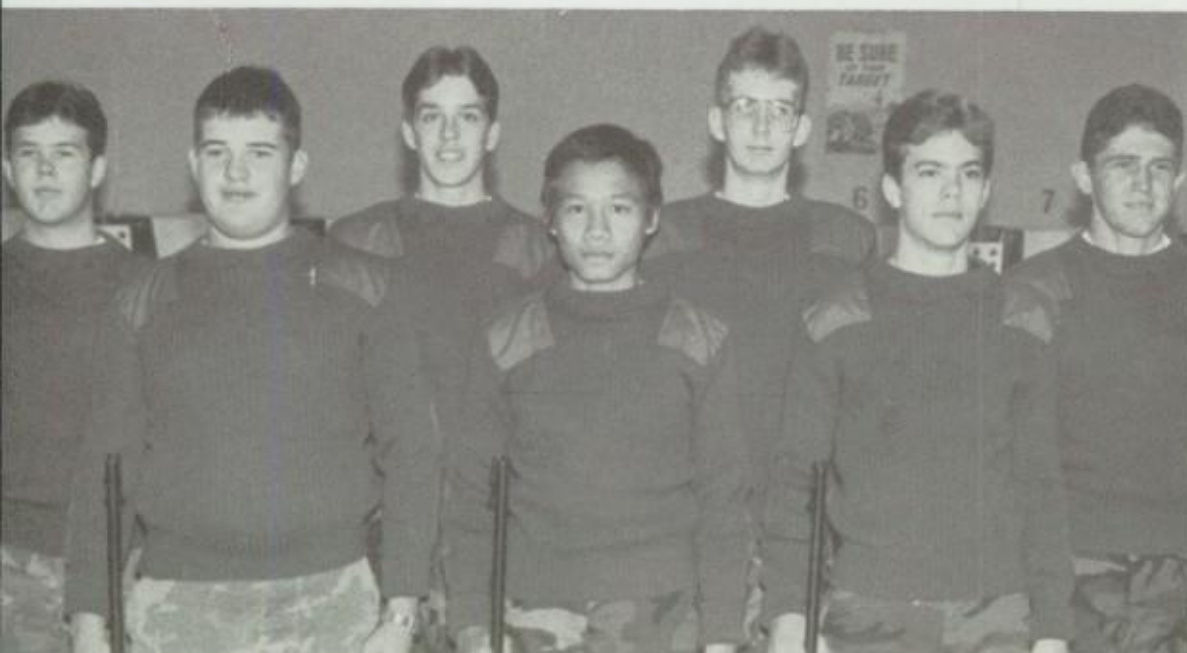

The MALE AND FEMALE DRILL TEAMS, as well as the RIFLE TEAM are extracurricular activities that draw their members from the JROTC classes. As a result of their hard work after school the Female Drill Team placed first in the contest at 29 Palms. The Male Drill Team was close behind finishing second in this event.

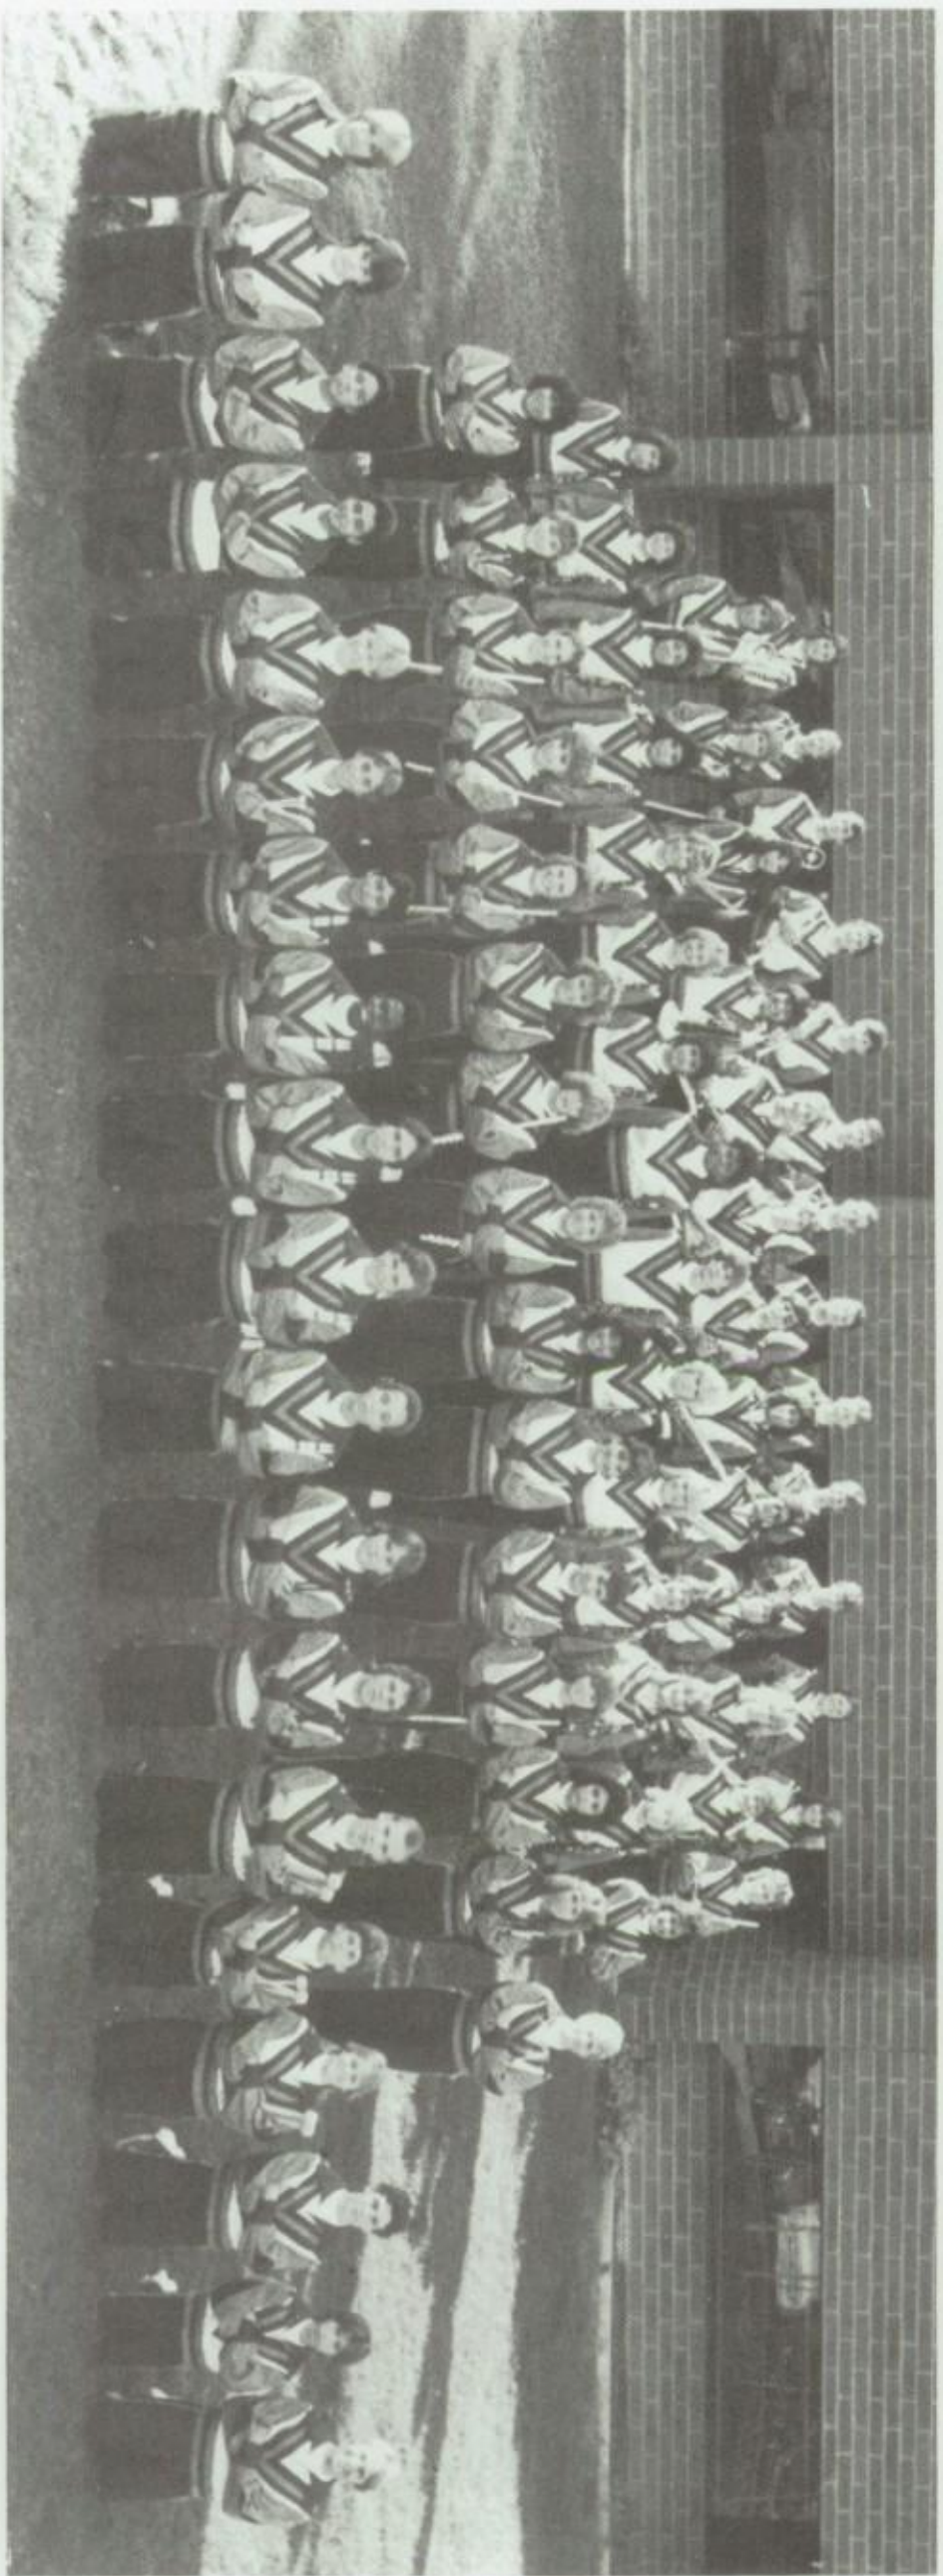

The MALE DRILL TEAM members are: (2nd row L to R) Tim Adams, Jay Burtón, Don Graves, Sam Martinez, Tommy Garcia, Juan Rivera, Frank Ybarra, (1st row) Jimmy Hrabowy, Scott Fricke, Tommy Martinez, Rodney Miller, Jimmie Bunting, Ruben Guzman, Steve Jurado, and Tim Crosser.

The members of the FEMALE DRILL TEAM are: (2nd row L to R) Annette Camacho, Brenda VanWinkle, Anabel Arvizu, Katie Curtis, Margaret Plancon, Stephanie Rivera, (1st row) Denise Fulks, Patricia Martinez, Cecilia Oquendo, Joanne Jowery, Maria Jones, Mim Salisbury, Teresa Escobar, Gina Jones, and Elsa Cavazos.

The T.U.H.S. RIFLE TEAM consists of: (L to R) Dean Edwards, Gene Warner, Rusty Gibson, Vincent Wong, Tim Adams, Brian Smith, and Mickey Vandre.

FIRST ROW — Troy Moore, Paul Serin, Bobby Medrano, Sammy Martinez, Lewis Wallace, Scott Baggiore, Mark Medrano, Shown Robinson, Neil Gonzales, Chris Rogers, Pat Bynes, Mark Seager, Ronnie Hutcherson, Bill Graves, Tina Robinson, Dawn Gigsby, Todd Dentler, Sandy Flores, Todd Massey. SECOND ROW — Paulette Valdo, Liza Sanchez, Laura Neary, Julie Reif, Deir Runnels, Laura Fink, Brooke Farmer, Robin Eaton, Tess Barton, Liz Rees, Becky Ayers, Becky Reif, Monica Trevino, Betsy Roush, Kristen Keith. THIRD ROW — Melissa Roselas, Pam Roder, JoAnn Mesquez, Ernestine Woody, Renee Robinson, Kim Nottingham,

Andrea Wegg, Janet Blankinship, Ken Sobbecki, Tracy Palmer, Sheri Battelle, Rosemary Garcia, Brenda Peterson, Tammy Johnson, Davina Seville. FOURTH ROW — Dawn Wegg, Debbie Stagers, Kathy Contreras, Shown Maueitto, Brian Wojaki, Donnie Miner, Curt Collingsworth, Tony Contreras, Lupe Cavazes, Lisa Martinez, Lisa McLaughlin, Kathy Wolf, Tanya Stansbury. FIFTH ROW — Charlene Eichorn, Todd McMurdie, Doug Ayers, Jason Fleck, Jim Hutchinson, Phillip Griffiths, Don Graves, Rick Inman, Brad Reilly, Chuck Carter, Tyler Farmer, Donnette Wygall, Angela Baggiore.

The Wolverine Band

This year TOLLESON WOLVERINE BAND received a "superior" rating at the N.A.U. Marching Band Day. This is the first "superior" rating for the Wolverine Band in twenty-one years. The flagline performs with the Wolverine Band at all Varsity Football games, parades and contest. They have the responsibility of creating and performing a routine for every song the band performs.

Seniors Diana Collins and Ton Jones served as Drum Majors this year. "They really did an outstanding job" said Mr. Ken Jaeger, band director. "Their hard work and pride led the way for our top rating at N.A.U. They are two of the best drum majors ever at Tolleeson," he added.

reated: Drum Majors — Diana Collins and Tom Jones. Standing: Leesa Pogue, Kathie McMurdie, LeeAnn Dickey, Kim Mitchell, Kim Sellers, Cindy Fisher, Kim Lodge, Anne Gross, Melissa Graves, Michelle Felt, Andrea Boydston, JoAnn Richter, Kris Ogden.

Wolverine Flagline

THE WOLVERINE FLAGLINE (shown above) is made up of thirteen girls chosen by audition. This year new uniforms helped to man an outstanding fall marching season.

Band Council

THE WOLVERINE BAND COUNCIL works with the director to plan band activities, fundraisers and oversee all band functions. The Band Council also plans the numerous social events (parties) the band holds each year.

Council members are: (sitting) — Renee Robinson, Newsletter editor; Diana Collins, President and Drum Major; (standing) — Tom Jones, Drum Major; Toni Contreras, Vice President; Tyler Farmer, Treasurer; Kim Lodge, Flagline Captains; JoAnn Richter, Secretary.

Cheers!

"Being selected to represent your school and cheer your favorite team on is quite an honor," says Dana Sokolis, cheerleader. To be a cheerleader you must be enthusiastic and dependable. It isn't just a lot of fun, it's a lot of work. Including getting up at 2:30 in the morning during Spirit Week to decorate the football players houses.

Becoming a cheerleader takes determination. There are try-outs and you must maintain good grades. Practice is held almost every day and there's even an initiation that makes for an embarrassing day of wearing funny clothes and make up at school

TOLLESON'S VARSITY CHEERLEADERS are: (from the bottom up) Dana Sokolis, Becky Reyner, Shonda Hintz, Missy Byler, Captain Kim Lodge, Lisa Roberts, and Co-Captain Kim Hall.

This years JUNIOR VARSITY CHEERLEADERS are: (Sitting from L to R) Monica Berry, Cathy Rosales, Angela Baggione, Alma Caovette, Shelly Gross, (kneeling) Cindy Fisher, Rosie Jacobs, Lisa Jury, Melissa Graves, Cecilia Cutrer, Diane Guzman, (standing) Leighanne Dickey, Emma Rodrigues, Stephanie Gerace, Julie Boan, Kassandra Gross, and Robin Loberger.

FRESHMEN CHEER-LEADERS: (standing from L to R) Jennifer Adcock, (unidentified), JoAnn Misquez, Pauline Montanez, Annie Morales, Tiffany Houle, (unidentified), Leslie Hodge, Stacy Jones, Yvonne Gross, Andrea Zaragoza, Angie Borden, Mrs. Lorraine Niven, Sally Perez, Cari Crides, Kim Shultz, Ann Campbell, Robin Cooperman, Lori Lea Hudging, (unidentified), Brooke Farmer, Nikki Woolford, Reta Wellman. Not pictured: Darcy Strudwick and Jennifer Bates.

THE POM LINE is: (sitting from L to R) Christine Azoyan, Lorraine Perez, Katie Kunberger, Dena Lee, Shelly Anderson, Lucinda Estrada, Mary Dunnigan, (standing) Carole Thurman, Christine Martinez, Kristin Richter, Kelly Richter, Traci Sands, Leslie Thompson, Kristi Brown.

The 1984-85 pom line did a lot of growing this year. With only three returning poms they had a lot to learn. They had many memorable experiences this year and made many new friends. They went to an NCA pom camp this summer at NAU where they spent four days and three nights. It was a trying experience for all of them. There they realized that being on the pom line wasn't all fun and games, it would take a lot of hard work and determination to make this year a success.

FCA's members are: (1st row) Charlene Eichorn, Lesa Hysong, Monica Sangiacomo, Mary Medrono, Teri Anzar, (2nd row) Mrs. Hysong, Mrs. Robinson, Debbie Ryan, Christy Carpenjer, Wendy Zachek, Hector Pennunuri, Mr. Kozimor, (3rd row) Manny Mustamante, Mark Medrano, David McKanson and Mr. Hysong.

FCA

The FELLOWSHIP OF CHRISTIAN ATHLETES purpose here at Tolleson is to present to athletes and coaches, and all whom they influence, the challenge and adventure of receiving Jesus Christ as savior and lord, serving Him in their relationships and in the fellowship of the church. FCA held a food drive at Thanksgiving and donated a turkey and ham to a family of fourteen.

Co-op

The CO-OP organization provides a social outlet for working students. The club has a Student-Employer Banquet each year which gives everyone involved in the program a chance to meet each other. Another major project is the awarding of scholarships to Co-op members for future schooling or training.

(1st row) Heidi Hedges, Sara Alexander, Samantha Hasenouer, Leah Key, Debbie Neighbors, (2nd row) David Rendon, Terry Marafioti, Carmen Salgado, Shelly McKee, Mrs. Marilyn Keller, Co-op Coordinator. (3rd row) Brett Aldridge, Diana Rodriguez, Patty Armas, Elsa Martinez, Paula Silva, Christi Harris, Bonnie Nichols, (4th row) Billy Starkey, John Smalley, Spencer Laudel, Michael Taylor, Alta Hoffman, Robert Taylor, and Nellie Echeverria.

The choir is pictured above: (1st row) Pam Bur-gien, Virginia Olague, Kim Carter, Julie Lockhart, Ar-lene Carrillo, Tammy No-lan, Cindy Hammock, Miss Beth James (director), (2nd row) Joyce Piltman, May Parada, Melissa Jones, Be-linda Autra, Kalene Pren-tice, Amy Goodson, Jean-nie Sells, (3rd row) Debra Hurley, Toni Montoya, Su-san Abramsem, Connie Fairall, John Anderson, Shonda Hintz, Tania Cowert, and Sylvia Car-doso.

Vica/Hope members include: (1st row) Gaylynn Head, Rosaleen Miranda, Juanita Laborin, Judy Gonzales, Dawna Scarlett, (2nd row) Donna Perry, Sandra Heigle, Kim Kueniman, Kim Graut, Marlo Sampere, Cindy Woodhead, Rhona Ferrel, (3rd row) Melanie Harris, Michael Peacock, unidentified, Jamie McKaskill, Julie Oakes, Alma Coautte, Sheri Barton, Loribeth Lynch, (4th row) Y. Hutchinson, Christine Dugan, Angelina Nuza, Gary Cunningham, Lisa Fubin, Michelle Roberts, Michelle Strzelecki.

Concert Choir

This year the CONCERT CHOIR is under a new director, Miss Beth James. The choir performs three major performances each year. During December they sold singing Christmas cards to the students.

Choir students learn how to sing different types of music and it gives them a chance to perform for others. The small ensemble was awarded a "superior" rating for their performance at the State Musical Festival.

Vica/Hope

VICA, VOCATIONAL INDUSTRIAL CLUBS OF AMERICA, is open to any student who is enrolled in Vocational classes. Students learn leadership skills and train for skills olympics.

FBLA

FBLA, Future Business Leaders of America, were active this year in attending the Western Leadership Conference, the Local Regional Conference, and the State Leadership Conference. Even with all this activity, they still found time to hold a skate-a-thon for M.D.

The Future Business Leaders of America are: (1st row) Toni Contreras, Tammy Boan, Paul Vasquez, Donna Perry, Mrs. Sharpe — FBLA Advisor, (2nd row) Camille Ortega, Jeanne Garner, Sylvia Flores, Tana Hennie, (3rd row) Pricilla McLaughlin, Shannon Middleton, and Dan Rowland.

French and German Club

The main purpose for the French and German Club is to become familiar with life in foreign countries. These countries include France, Germany, or any of the home countries of our foreign exchange students. The French and German Club members investigate certain aspects of their chosen country, according to their own interests and report the findings to the group at club meetings.

The members of the French and German Club are: (1st row) Roseanna DeSimone, Tiffany Herring, Tammy Boan, Sue Zuehlke, Julie Boan, (2nd row) Joel Oberdorf, Holly Toner, Katie Kunberger, Dawn Grigsby, Lynn Mack, (3rd row) Leslie Thompson, Tom Jones, and Rick Inman.

FHA

Ever wonder who sells refreshments at home football games or who sets up the Old Main showcase? Well, it's FHA, Future Homemakers of America, sponsored by Mrs. Jan Bean. Along with these important functions, FHA also hosts the faculty and staff breakfast. In addition, the group attends the FHA Leadership Conference.

Mrs. Bean, Laura Cook, Kim Henderson, Lisa Jury, and JoAnn Riojas, members of FHA, are shown above.

Wolver News

The Wolver News, our school newspaper, is published monthly. The staff spends many hours simply planning news coverage. This year they have included more clubs and activities in the paper as well as featuring interesting people on campus. The opinion page has been expanded this year to include more letters, editorials, and a viewpoint column. Some weekends are spent working in order to insure a quality publication. Mr. John Pfau, Wolver News advisor, remarked candidly, "I'm proud of the quality work done by all my people."

The Wolver News staffers are: (1st row) Angie Rodriguez, Kymie Carter, Jeanie Ulloa, Diana Collins, Kimberly Lodge, (2nd row) John Carter, Aaron Mueller, Rebecca Ayers, and Mr. John Pfau.

The members of the LETTER'S CLUB (pictured above) are: (1st row) Allison Ong, Angela Baggione, Diana Collins, Charlene Eichorn, Irene Machado, Trent Grossarth, Scotty McBride, (2nd row) Mike White, Mr. George Guttirrez, Geri Guttirrez, Kim Hall, Traci Sands, Kim Lodge, Tyler Farmer, Kathy McMurdie, Rick Inman, and Karie White.

Letters Club

The purpose of the Letters Club is to unite letter members with all sports. Projects for this year included the Christmas Semi-formal Dance and a concession stand at all home basketball games.

The members of the HIKING CLUB (pictured right) are: (1st row) Unidentified, Andrea and Dawn Wegg, Sandra Soares, Alma Caouette, Marcy Shulenberger, Julie Serrata, Mr. "Z", Noli, (2nd row) Justin Crell, Ed Hebison, Ray Aramas, Freddie Ram, Kevin Sevey, Alan McMahan, Billy Boyer, Cathy Lucia, Sandra Snyder, Susie Moore, etc.

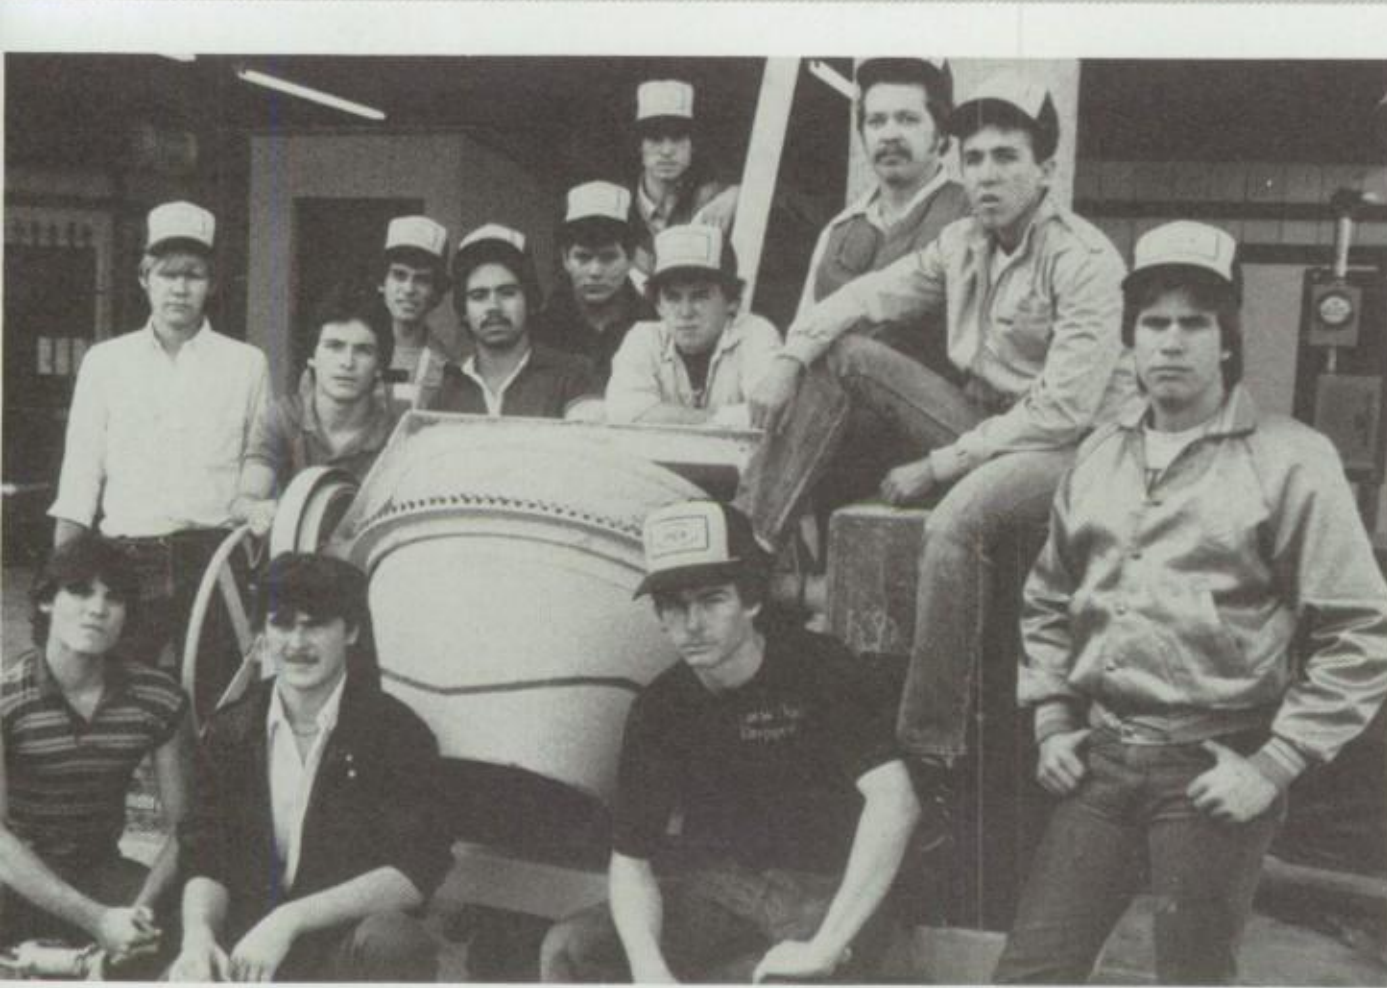

Hiking Club

The Hiking club explores the many scenic wonders of Arizona. Map and compass reading, survival skills, environmental awareness, along with certain physical requirements are all needed to be a member.

They hike on rugged mountain trails, walk through majestic scenery, watch wildlife, and every thing in between on the famous "sand to snow" hikes. They learn about the feelings of pushing your body to it's limit, and the painful struggle to the top. This is all to get exercise, have fun, and be able to say "DID IT!"

Building Trades/V.I.C.A.

The purpose of V.I.C.A./Building Trades is to develop leadership skills in Building Trades. This year they have renovated the Building Trades workshop and did numerous school improvement projects. Plans for the future include a 600 square foot building.

The members of Building Trades/V.I.C.A. are pictured at left. They are: (1st row) Robert Cord, Mike Cornwell, Danny Isabell, John Smally, (2nd row) Mike McKinney, Martin Contreras, Joe Lavarro, Steve Miller, Mr. Dean Humphrey, (3rd row) Mark Mellebrandt, Johnny Romo, and Joe Nolan.

The members of JAG (pictured left) are: (1st row) Jeana Keeling, Roni McVay, Maria Gonzales, (2nd row) Miss Graciela Garcia, Debby Lopez, Patricia Cadena, Nerita Howard, Leslie Howard, Bill King, Mike McDaniel, (3rd row) Richard Huseby, Mark Benjarano, Deirdre Reid, Julia Escobedo, Norma Martinez, Teresa Keith, Robert Cord, (4th row) Steve Barnes, Carol Abbott, Steela Ozuna, Oralia Gonzales, Jose Acosta, Johnny Trejo, and Mike Tarango.

Jobs for Arizona Graduates

J.A.G., Jobs for Arizona Graduates, held a blood drive on February 22 and attended the State Conference and Competition on April 26.

Science Club

SCIENCE CLUB is a club but — they have a unique design. Each student fills out a questionnaire and from this questionnaire a folder of activities is developed for each student. Mr. Tom Kirsch, Science Club advisor, helps each student to develop a program based on each student's interest. Under the advisement of Mr. Kirsch these programs and activities are pursued independently throughout the entire year, including summer. Science Club members get involved in science fairs, job observation, trips, tours, camps, and seminars. They have had two successful candy drives this year to raise money for projects and trips.

The SCIENCE CLUB is shown at right they are: (1st row) Kathy McMurdie, Angela Baggione, Melody Jones, (2nd row) Mr. Kirsch, Tommy Trinidad, Carole Thurman, Heidi Victor, Jennifer Miller, Sandra Soares, (3rd row) Scott Evenson, Lowell Larson, Curt Collinsworth.

Ski Club

Joining the SKI CLUB at T.U.H.S. is a great way to meet new people and go skiing.

National Honor Society

This year the NATIONAL HONOR SOCIETY has been busy. They held two school dances after football games, as well as hosting the St. Valentines Semi-Formal.

(1st row) Gloria Rodriguez, Diana Collins, Allison Ong, Shonda Hintz, Carol Solorio, (2nd row) Rick Inman, Tom Norman, Sherri Barra, Barbara Garner, Karie White, (3rd row) Trevor Holt, Rick Hodge, Tana Hennie, and Dan Rowland.

(1st row) Leslie Howard, Sandy Heigle, Shonda Hintz, Dawn Lesperance, Diana Collins, Debbie Staggers, (2nd row) Kassandra Gross, Claudia Nandin, Lisa Cruz, Allison Ong, Rosanne DeSimone, John Cao, Kim Lodge, Dan Rowland, Mrs. McElroy (3rd row) Anne Gross, Riki Maio, Cristina Perez, Toni Contreras, Tyler Farmer, and Rick Inman.

School Improvement Committee

Service is the basis of the SCHOOL IMPROVEMENT COMMITTEE. During the school year they paint over graffiti covered walls on campus and in nearby residential areas. The group also attends Estrella Rotary Club meetings representing T.U.H.S. Some of their other projects include reading to children in hospital wards and working at the Special Olympics held in May. Mrs. Carol McElroy, S.I.C. advisor, describes members as "... special, hard working, and interested in giving to others."

Mat Maids

Mat-Maids is an organization which is open to all girls at T.U.H.S. Mat-Maids attend all wrestling matches. They have organized cheering, and they keep statistics. The girls involved in the club all agree that it is very fun, but their main purpose is to support the wrestlers.

The Mat-Maids membership includes: (1st row) — Cory Pina, Christine Cordova, Senaida Morena, Pat Murrietta, Sylvia Ramirez, Christy Salinas. (2nd row) — Mercy Madril, Gloria Lopez, Lupe Saenz, Lisa Gonzales, Yolanda Saldana. (3rd row) Chris Lopez, Terrie Laborin, Michelle Macias, and Kelli Jordan.

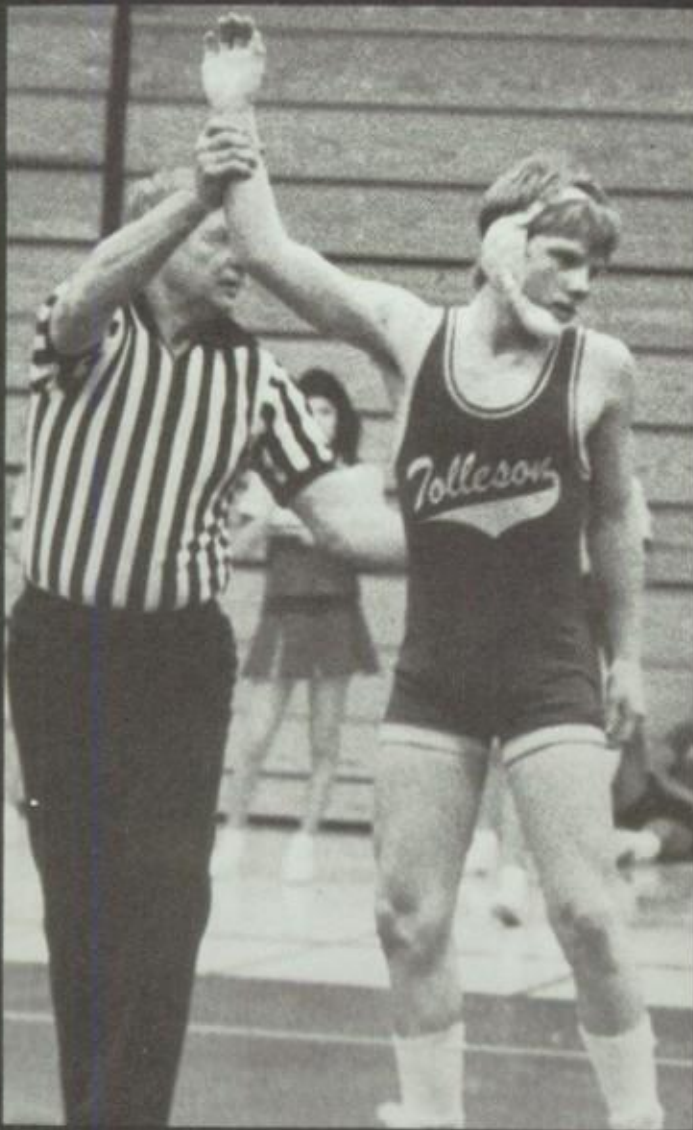

Model United Nations

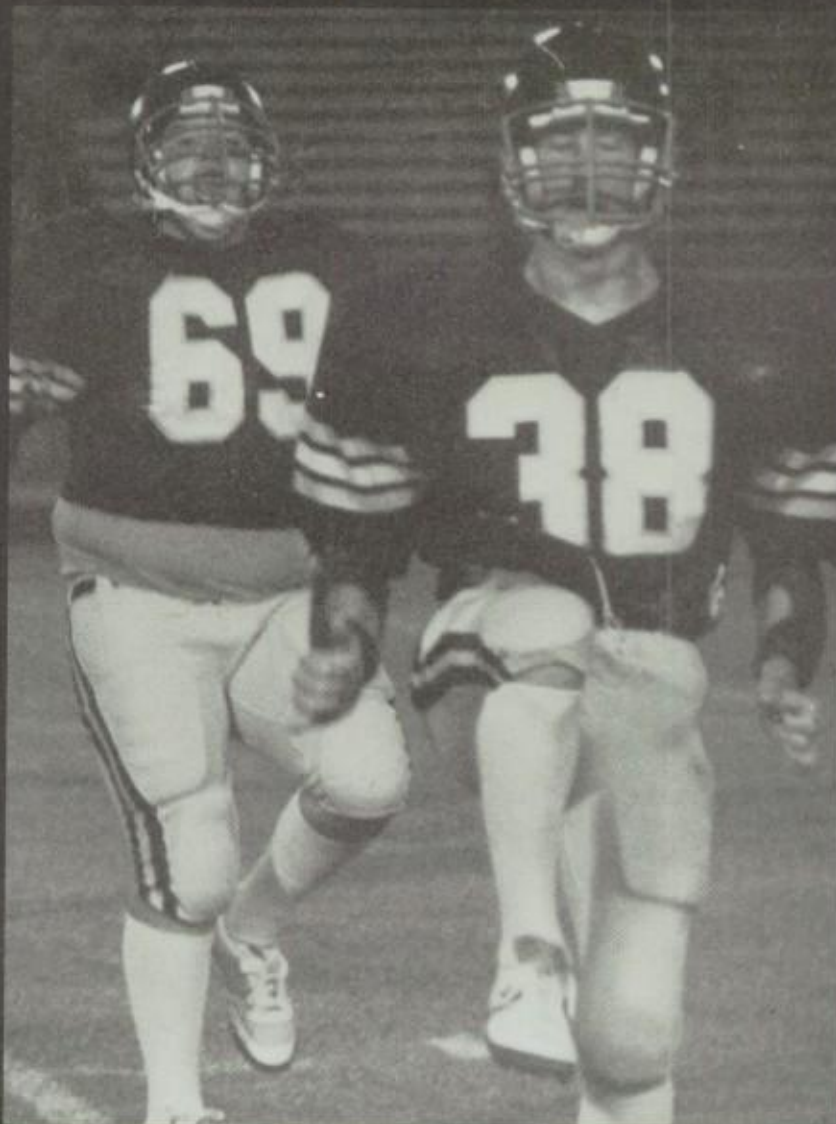

Model U.N. is the United Nations at the high school level. At the general assemblies, students act as delegates representing various countries, using the United Nation's format.

Model U.N. is made up of: (1st row) Leesa Pogue, Kris Ogden, Sandra Soares, Roseanne DeSeSimone, John Cao, Fay Flores, (2nd row) Lowell Larson, Rob Roat, Kathy McMurdie, Dan Rowland, Carole Thurman, Paul Vasquez, Tommy Trinidad, Anne Gross, Ms. Cathy Lumm, (3rd row) Tammy Baird, Frank Laistner, Aaron Mueller, and Donna Perry.

Best Season In Wolverine History!

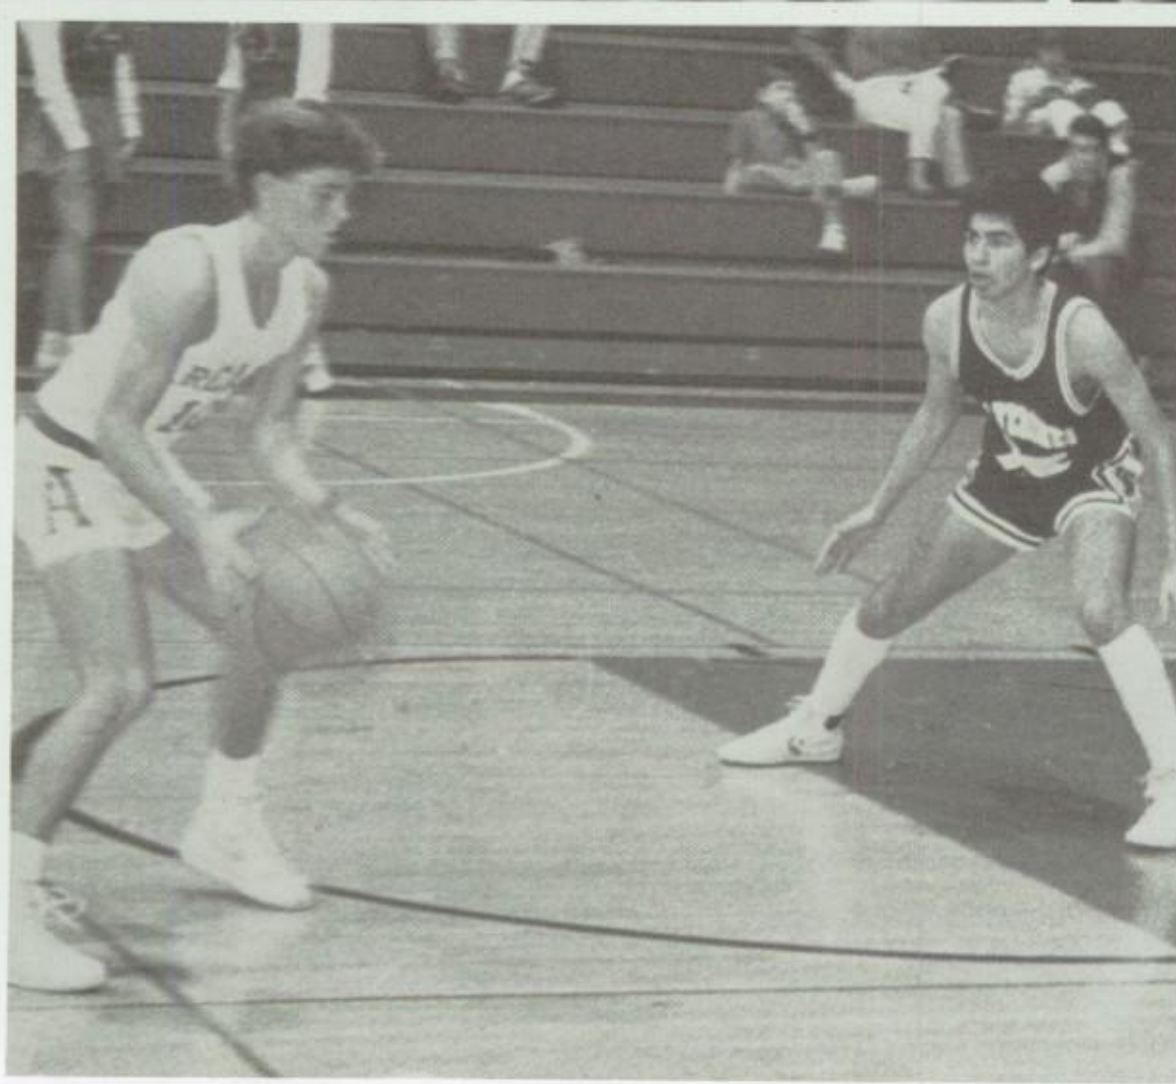

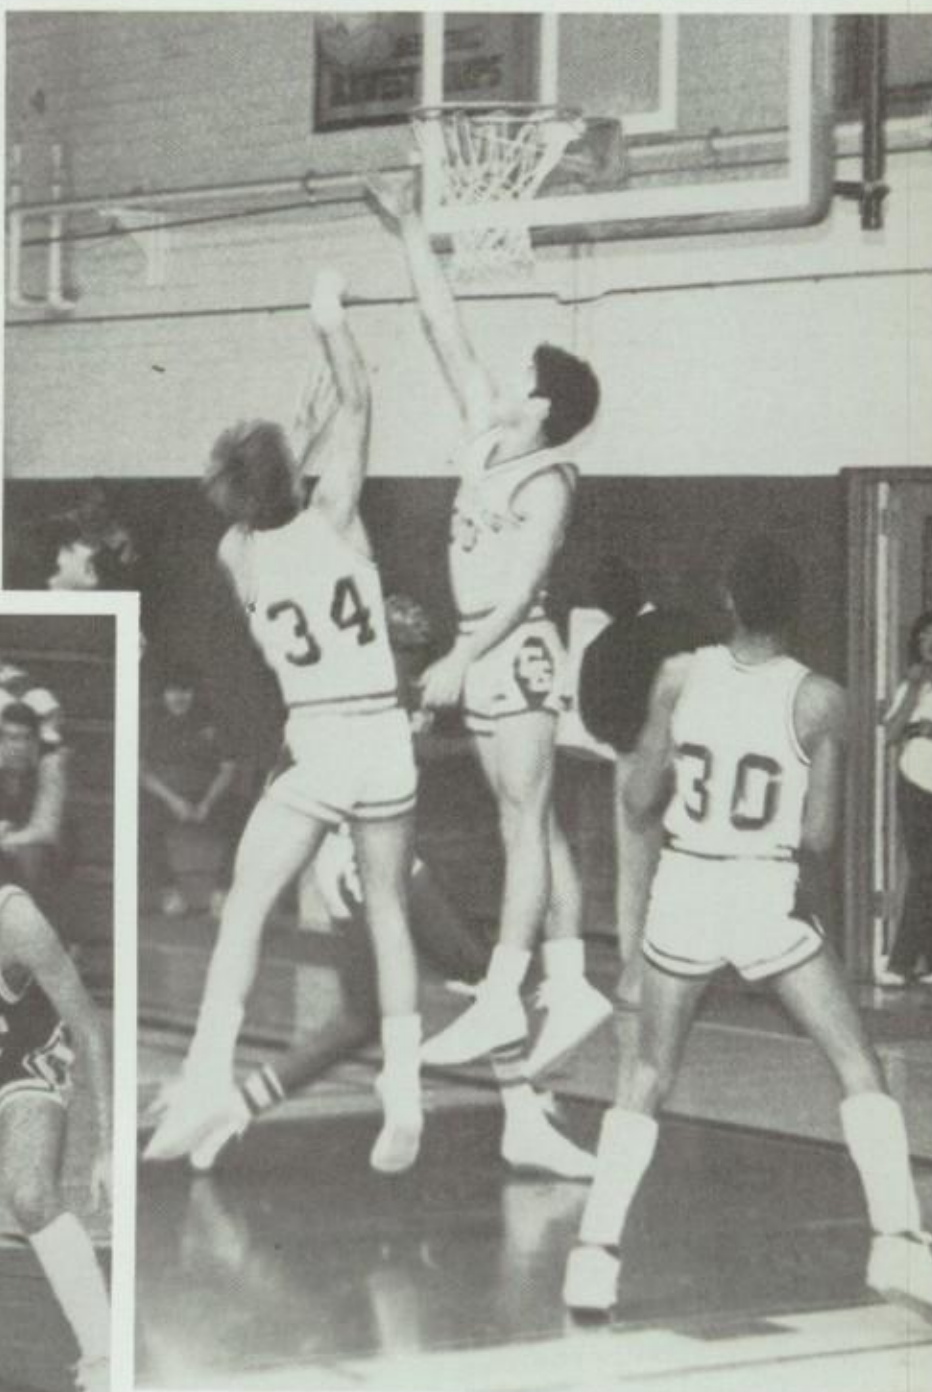

This year the T.U.H.S. Varsity Basketball Team had "the best season in Wolverine history" according to Coach Dan Roberson.

The Wolverines finished in third place in the AAA Metro "A" League and qualified for the division playoffs. A powerful Central team eliminated the Wolverines in the first team.

Senior Greg Clarkson lead the Team in scoring this season with 376 points. Sophomore Lance Keller and Frank Lomeli, a junior, followed close behind.

(top left) Frank Lomeli goes up for a shot. (top right) Coach Roberson gives his team instructions. (bottom left) Danny Arce plays a "mean" defense. (bottom right) Lance Keller (34) and Frank Lomeli (30) shown several inches off the floor.

Coach Roy Moreno, Head Coach Thurman Simmons, Charles Hrabowy, Darnell Robinson, Joe Dunnigan, Wayne Costello, Clinton (Shorty) Donahue, Clancy Pendergast, Danny Muresan, Troy Pickering, Rick Coronado, Asst. Coach Ken Salas, Asst. Coach Alex Rios, (3rd row) David Watkins, Chuck Karns, Rick Hodge, Rey Hernandez, Rod Chester, Troy Vandre, Dennis Fulin, Mark Cravens, (not shown) Morgan Sundust, (3rd row) John Galindo, Rick DeVlaeminck, Steve Barnes, Frank Lomeli, Greg Clarkson, Juan Tellez, David Fyfe, Ted Landis, Mike White.

Varsity Makes History!

This years football team was a very close group who, put a lot of time in over the summer, at night, and after school. All this time and effort has made this year's team truly unforgettable.

When asked how he felt about this year's varsity football team, Head Coach Thurman Simmons claims, "They were as good as they could be!" He adds, "The boys were deserving on and off the field."

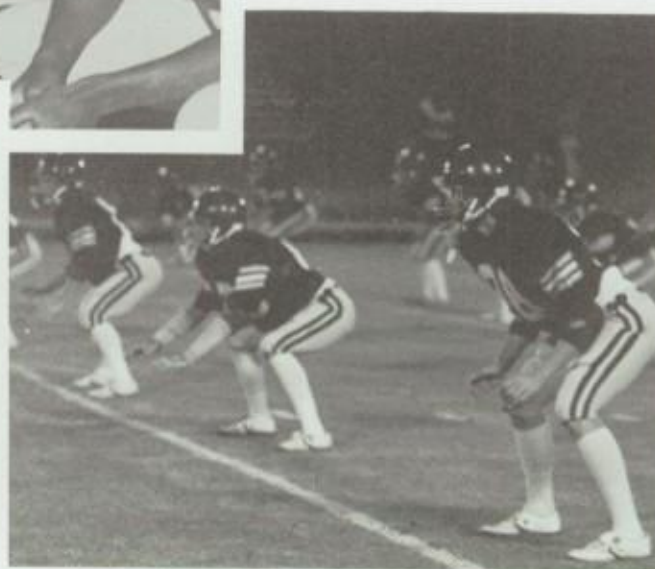

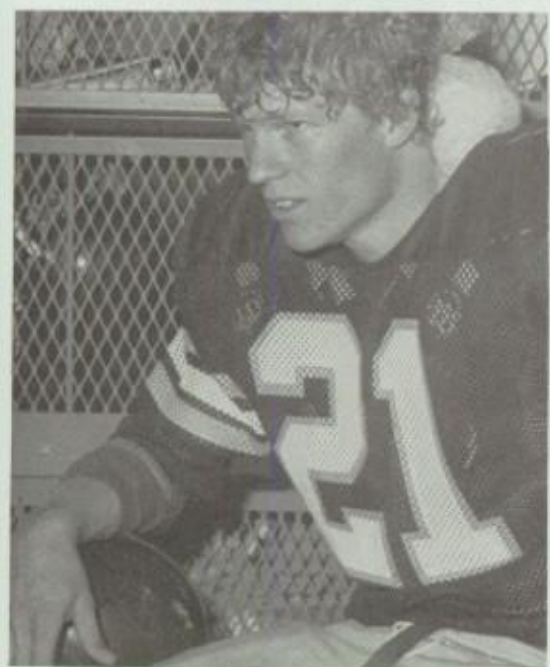

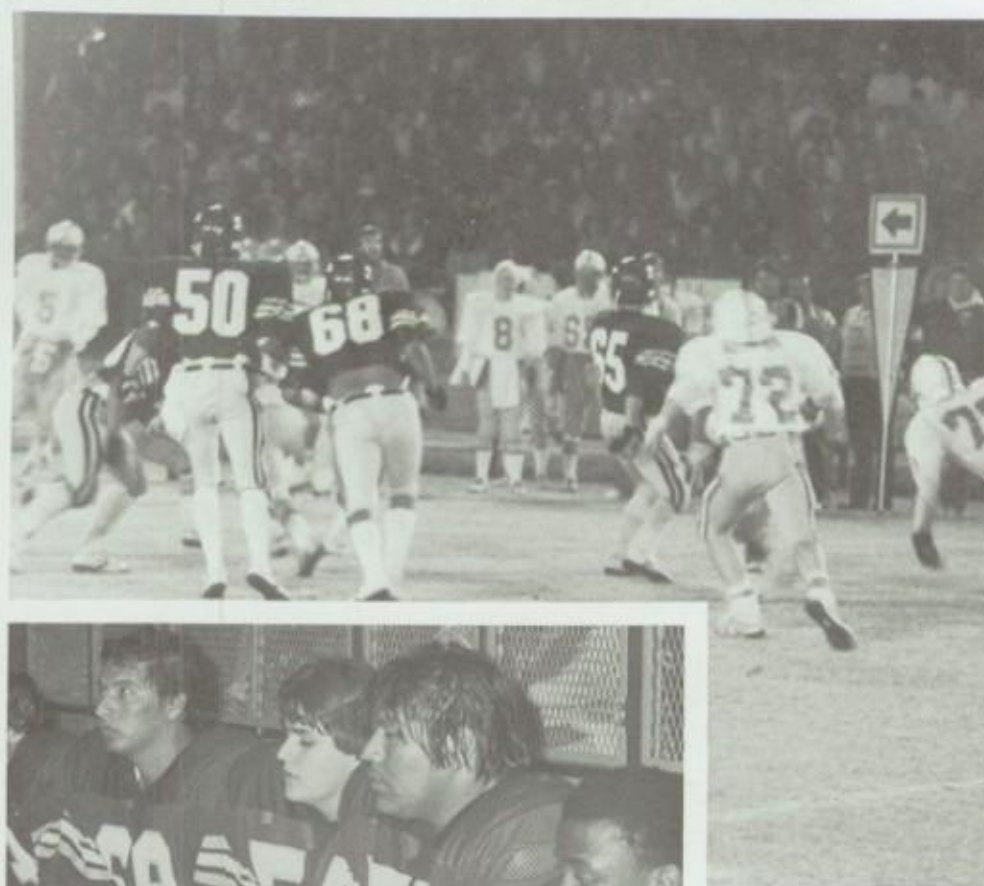

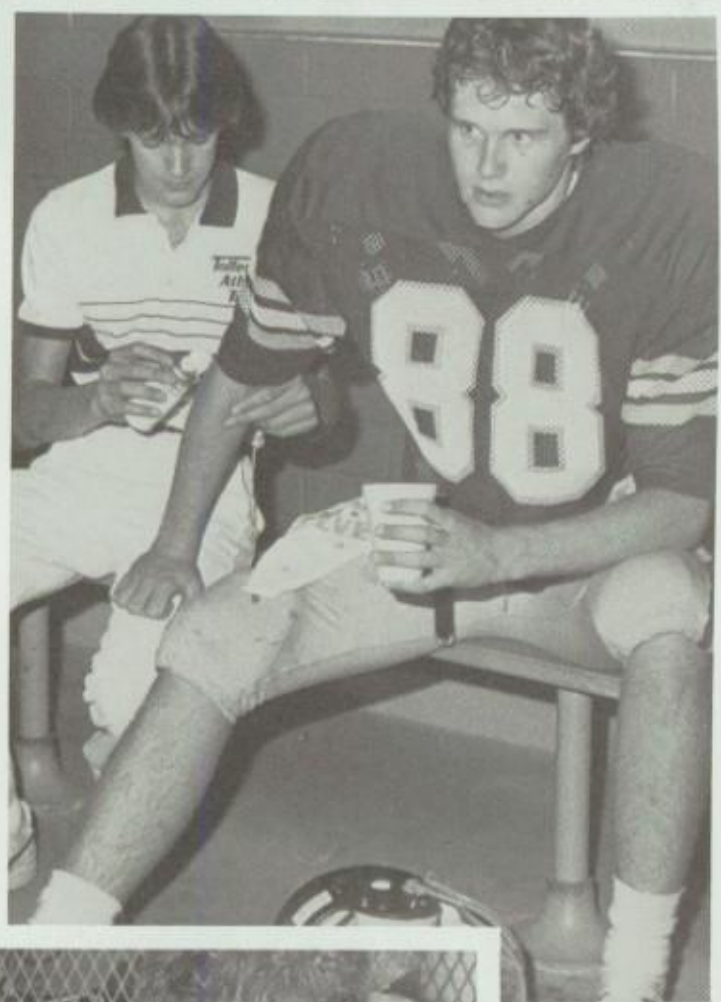

In the opener, Tolleson destroyed Sunnyslope 20-0. The team went on to an undefeated season. Tolleson made the playoffs, for the second straight year, and trounced Trevor Browne 24-16. The Wolverines then met the powerful McClintock who ended their season 42-0. The Wolverines were ranked third in the state and they took the AAA Metro Division "A" League Championship.

When asked how he felt about his fellow players Steve Barnes, senior, answered, "We all stuck together and made history for Tolleson."

This year's team was the only undefeated team during season play in Wolverine history.

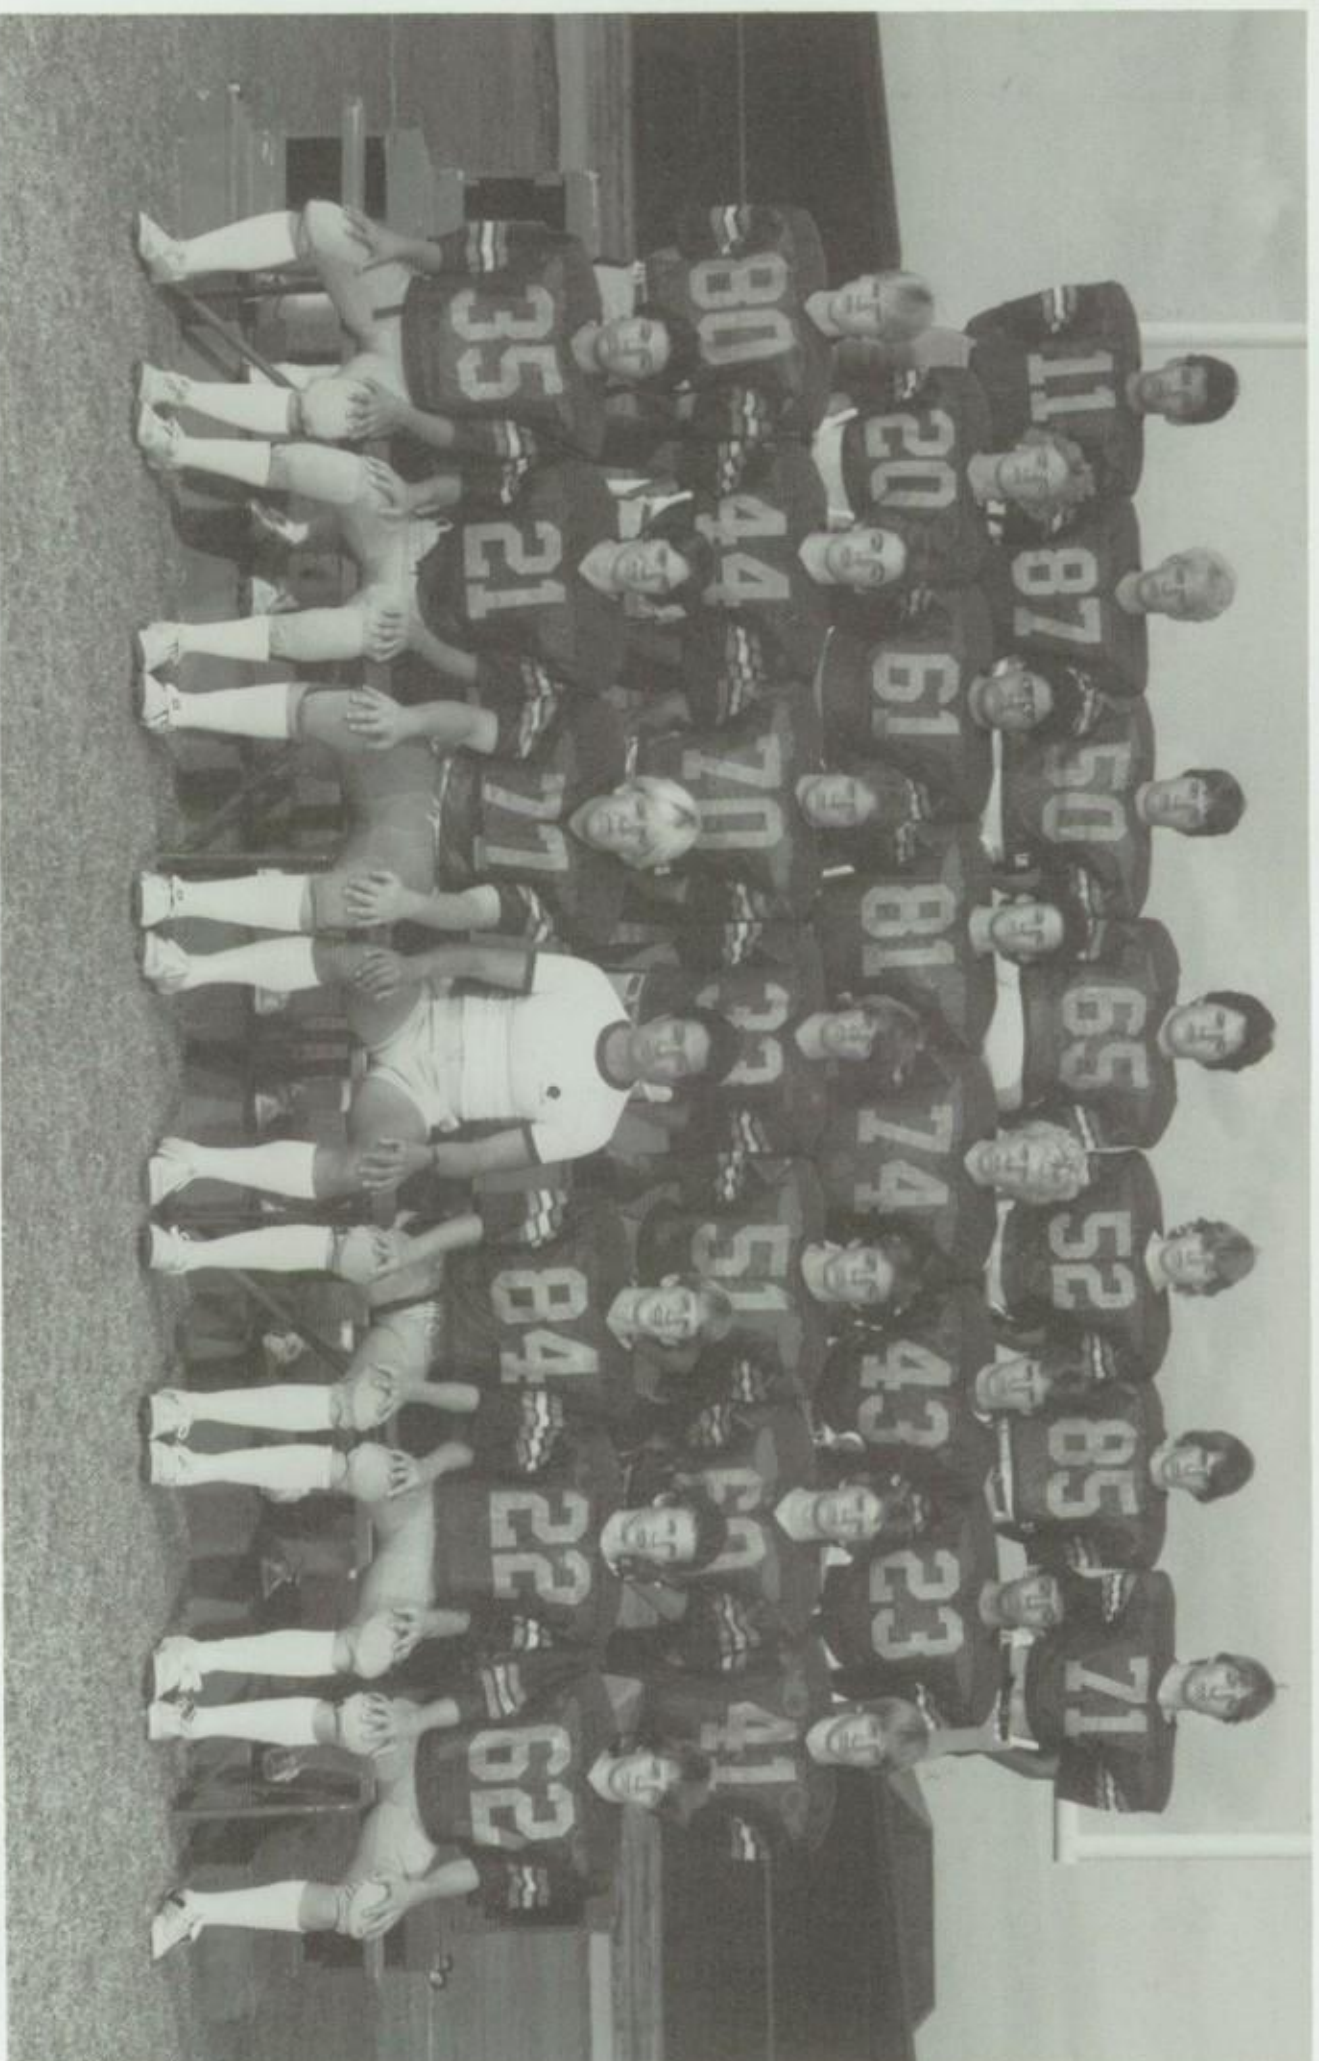

This team radiated a class act on or off the field. The coaches and teams efforts did not go unnoticed and they were certainly appreciated by people who know what it takes to sequence this type of task.

**— Kino Flores,
Athletic Director**

"Our Frosh and JV Teams did not win many games. However, the philosophy of the staff is that at this level they succeed when they continually strive to do so. You can learn to except defeat only by striving to win with earnest dedication.

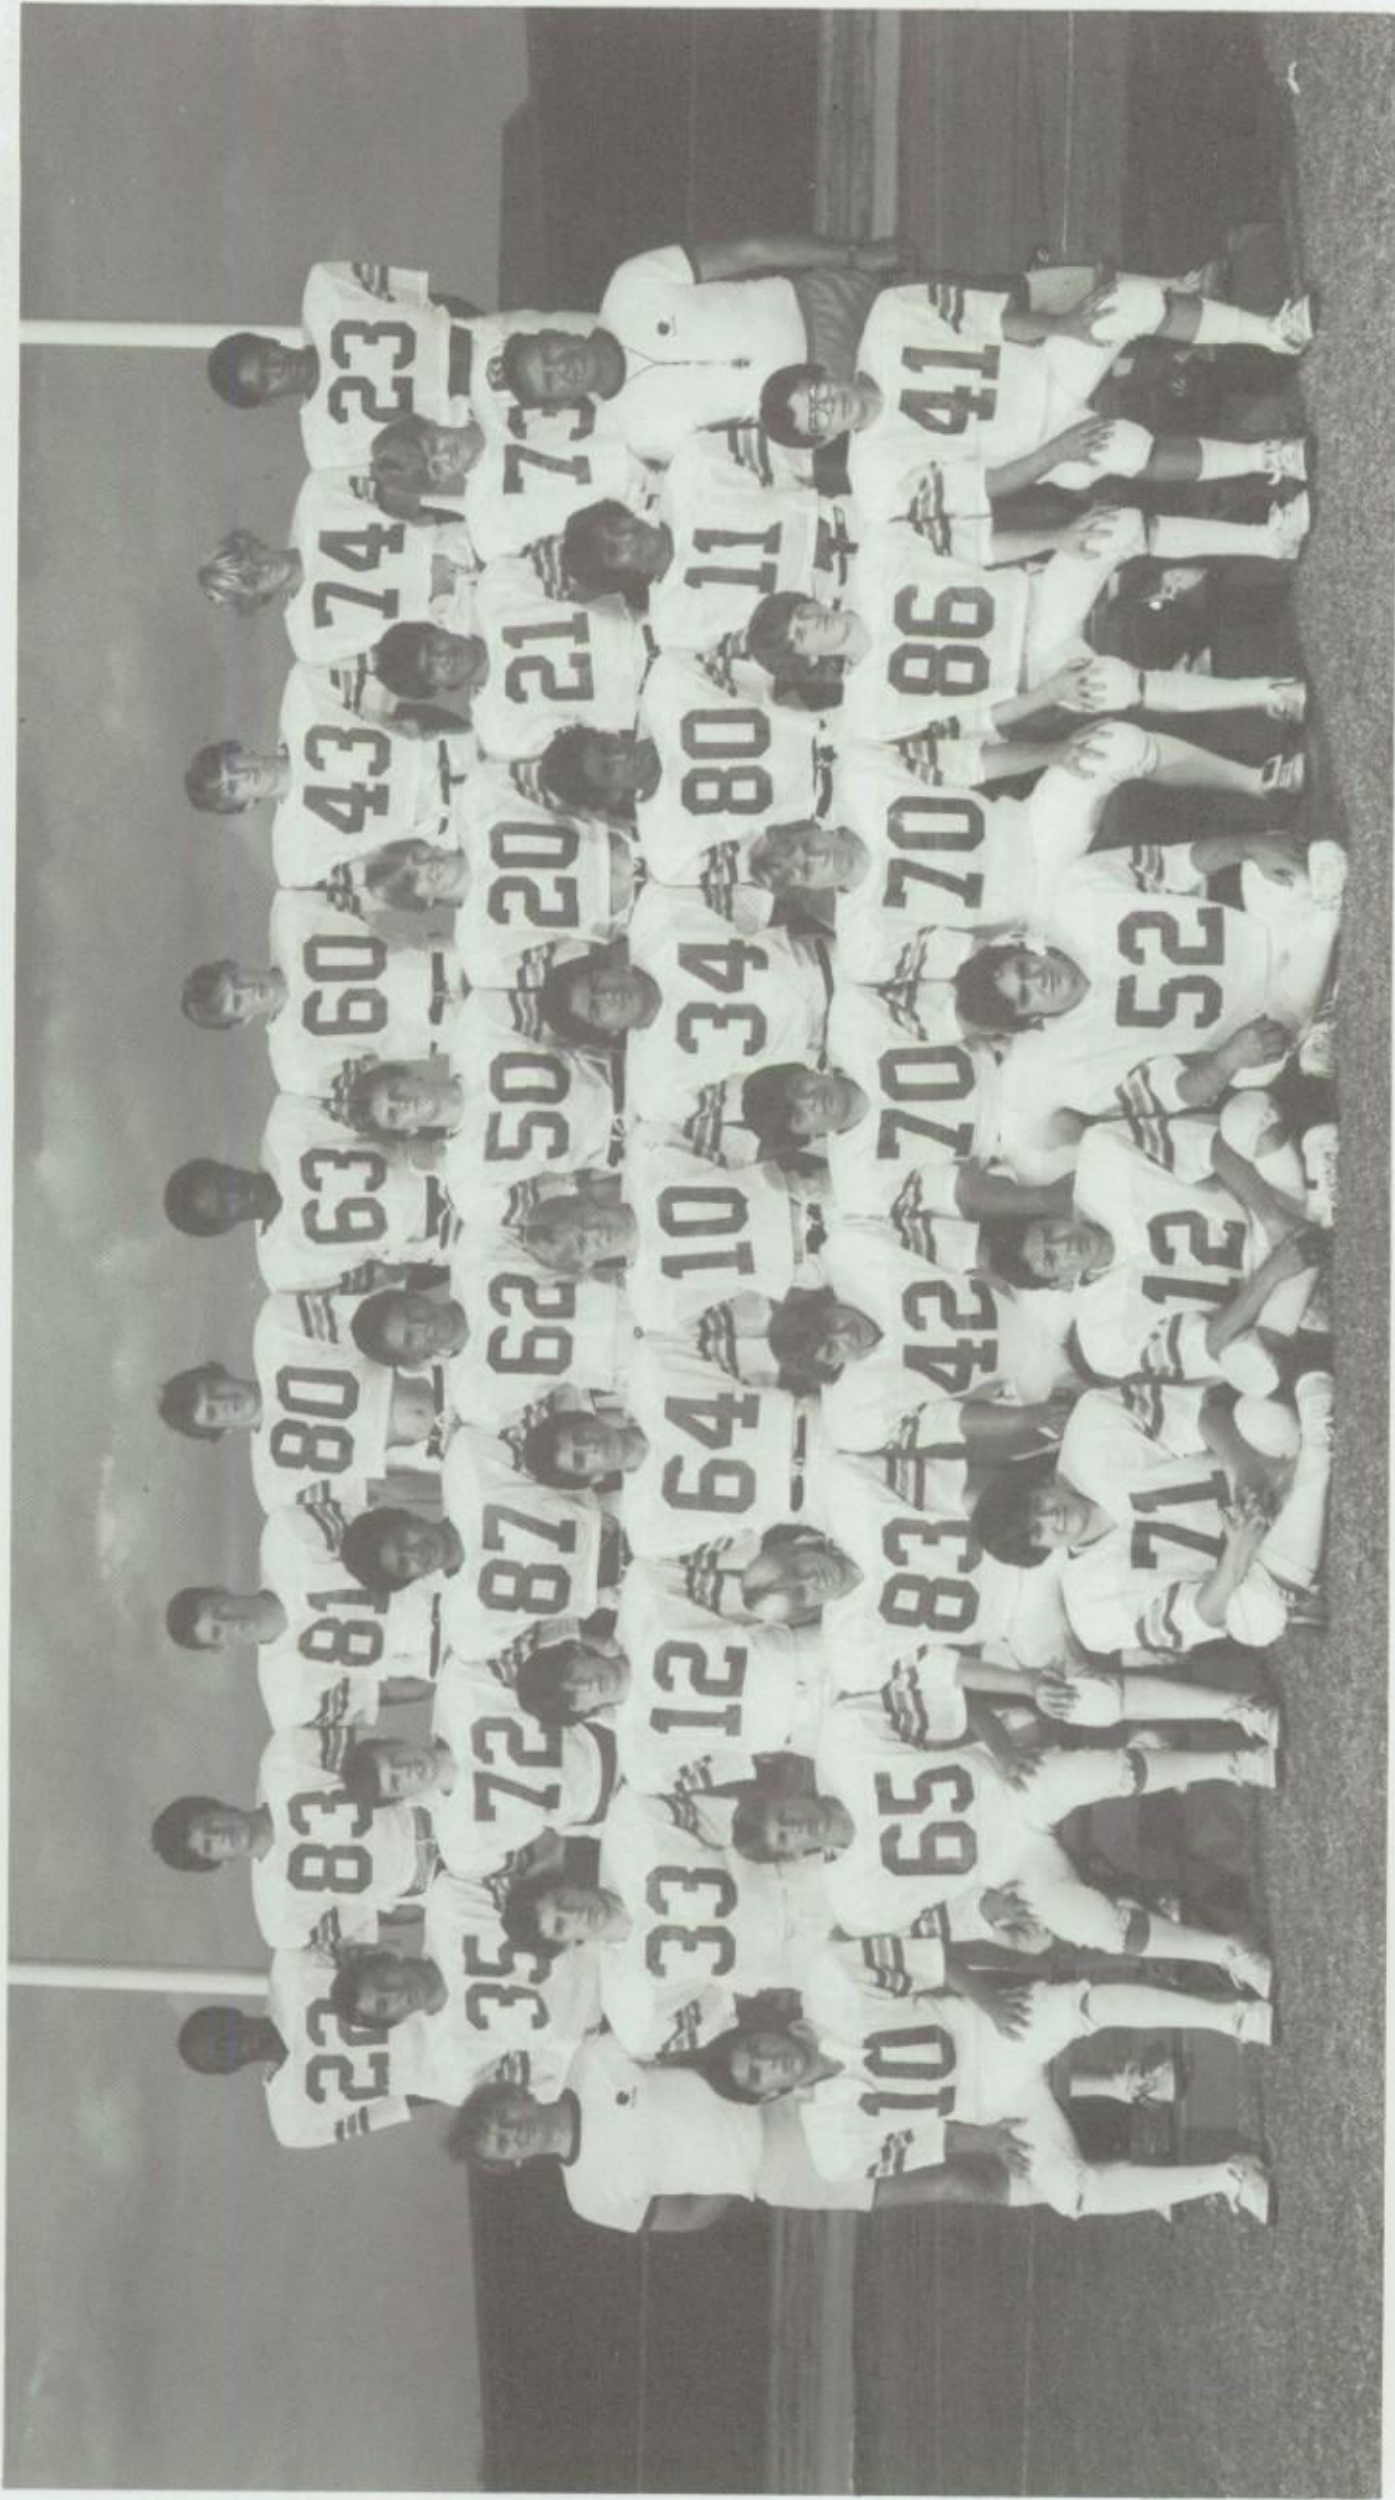

**— Kino Flores,
Athletic Director**

The members of the JV Football team are shown above: (1st row) Anthony Perez, Carl Schroeder, Coach Salas, Chris Compeau, Jeff Maddux, Jim Guest, (2nd row) Gary Parker, Raul Madrid, Doug Lore, Scott Clayton, Todd Truog, Lonnie Waters, Dan Brais, (3rd row) Ken Downing, Rueben Mendez, Jim Williams, Gerald Willingham, Jon McCall, Greg Luna, (4th row) David Aros, Troy Freidman, Rob Heeter, Ken Quinones, Cody Pritchard, John Newman, and Lester Polk.

Frosh Volleyball

Coach Jan Adams
Record: 6-4

Special Events

Unforgettable Assemblies

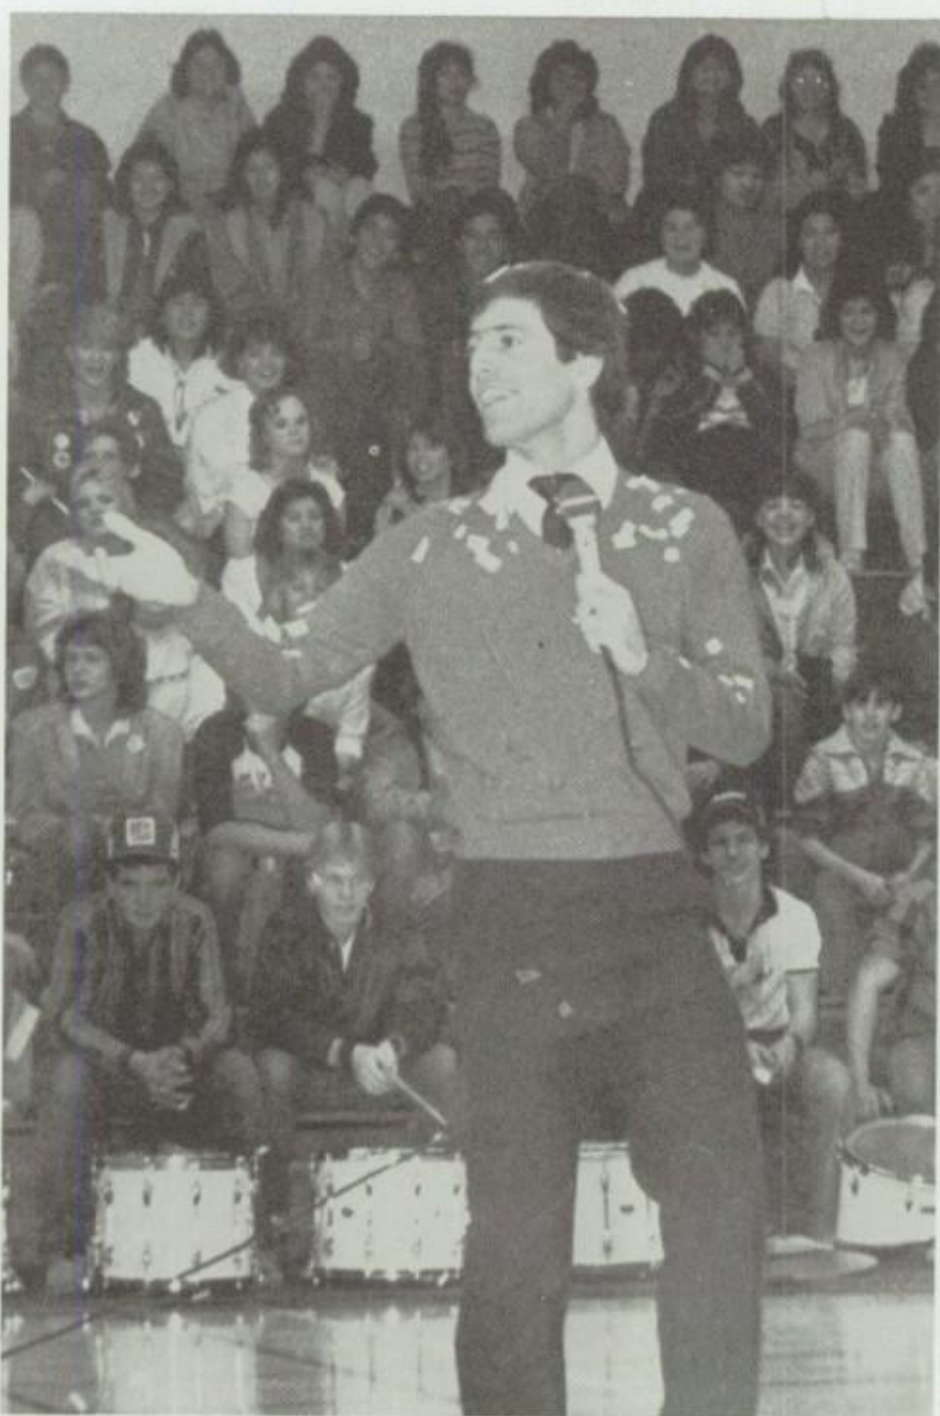

A White Christmas — Of Sorts

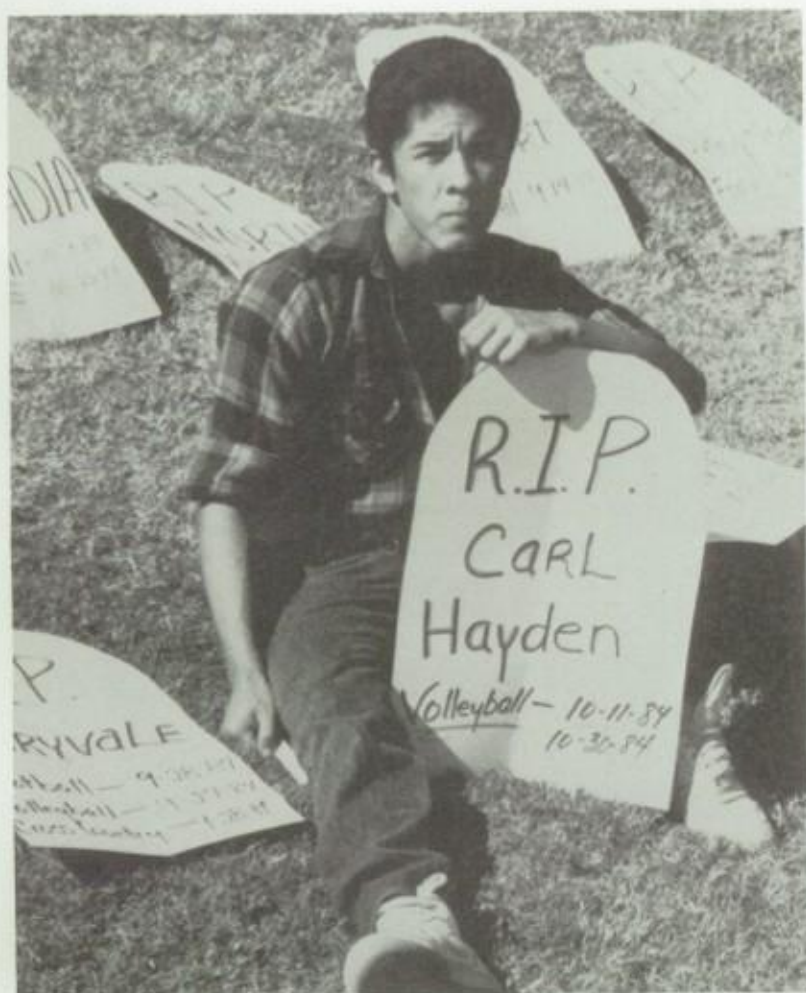

The 1984 Christmas Assembly was a real blast! The Student Council purchased five Christmas trees. The freshman, sophomore, junior, and senior classes as well as the staff, were given a tree to decorate while a Christmas carol was played. At the end of the carol decoration of the trees was stopped and the trees were judged. The "A" assembly found the seniors the winners, while the "B" assembly winners were the sophomores. The fun did not stop here howev-

er. Mr. Drollinger, a.k.a. J.D., lip synched "Let It Snow". Members of the Student Council made his wish come true by covering him in artificial snow!

The Pom Line did a new routine to Cyndi Lauper's "She Bop". They were great as usual. And Santa topped off the show by introducing the members of the basketball team.

That United School Feeling

A pep assembly is supposed to bring out school spirit and cheer the teams onto victory. That's exactly what they did this year at T.U.H.S. This was one of the best years ever for the Tolleson Wolverine Football Team. The great year can be attributed to many hours of hard work put in by the players and coaches as well as the support of the fans.

Much hard work went into the assemblies. Everything from thinking up the ideas to executing the plans. From Gloria's leadership on the mic to the excellent performances by the Pom Line and Cheerleaders; and from the class competitions to that united school feeling we get.

The pep assemblies are more than just "a break from class" they are the way we tell the players we have school spirit and that we want them to win. It's all this spirit, all this caring, and all this fun, that help make T.U.H.S. the best school in the valley.

What Is School Spirit?

School spirit is getting involved with your school. Spirit is knowing what is going on around campus. Spirit is joining a school club. It's participating in school athletics. It's joining the cheerleading squads. It's also cheering on the football team. It's also attending all the games you can, and showing the Wolverine players you care, and that you are behind them all the way — win or lose. This is what physical spirit is all about, but that's not where it stops. School spirit comes from the heart, from down in there. This different kind of spirit is special. It gives us all a chance to get involved even if we're not a great athlete or at the top of the class rank. This spirit is making friends with everyone. It's voting when class elections come, and supporting club projects.

How do you get school spirit? How do you know when you've got it? Actually you never really know when you get it. One day you see a paper by a trash can and you stop to pick it up. Taking care of your campus is also school spirited. Any one can get school spirit. Anyone who defends their school in a crowd will get it. Or stands out from a crowd and says with pride "I go to Tolleson Union High School" has got it. It's this school spirit that helps to make high school unforgettable.

Who Was That Masked Man?

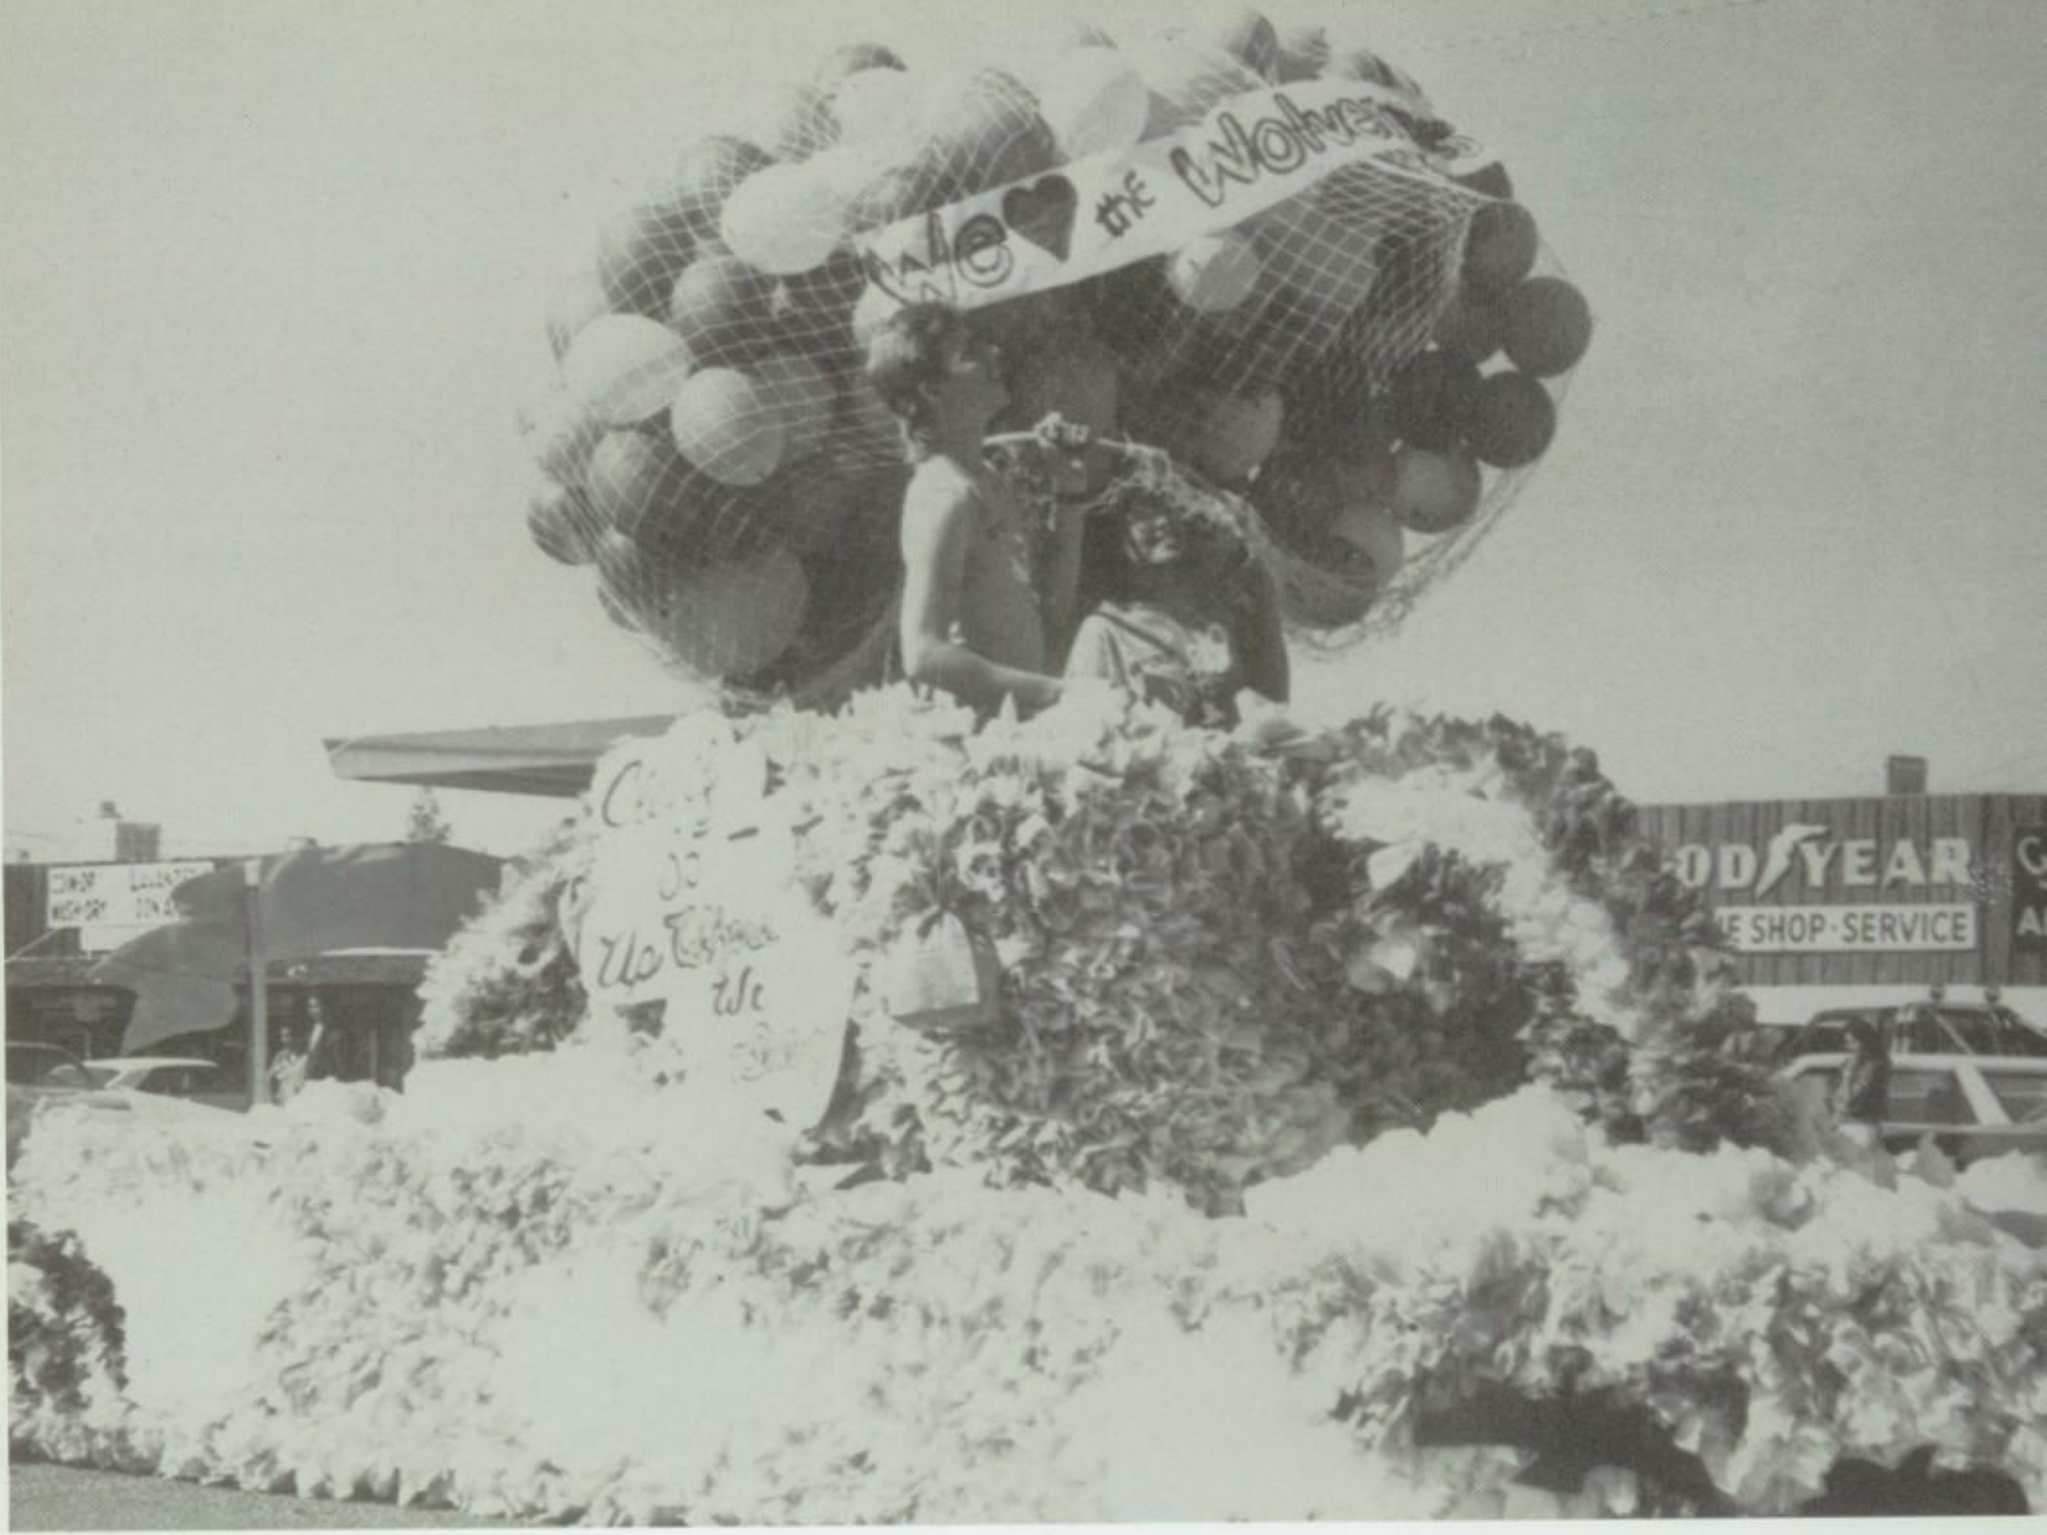

"Dressing Up"

Students at T.U.H.S. enjoy "dressing up". Whether students were dressed in a Halloween costume, in a exquisite dress or representing their school colors with maroon and gold students make spirit week a success. With Halloween falling during spirit week the students had all the more fun.

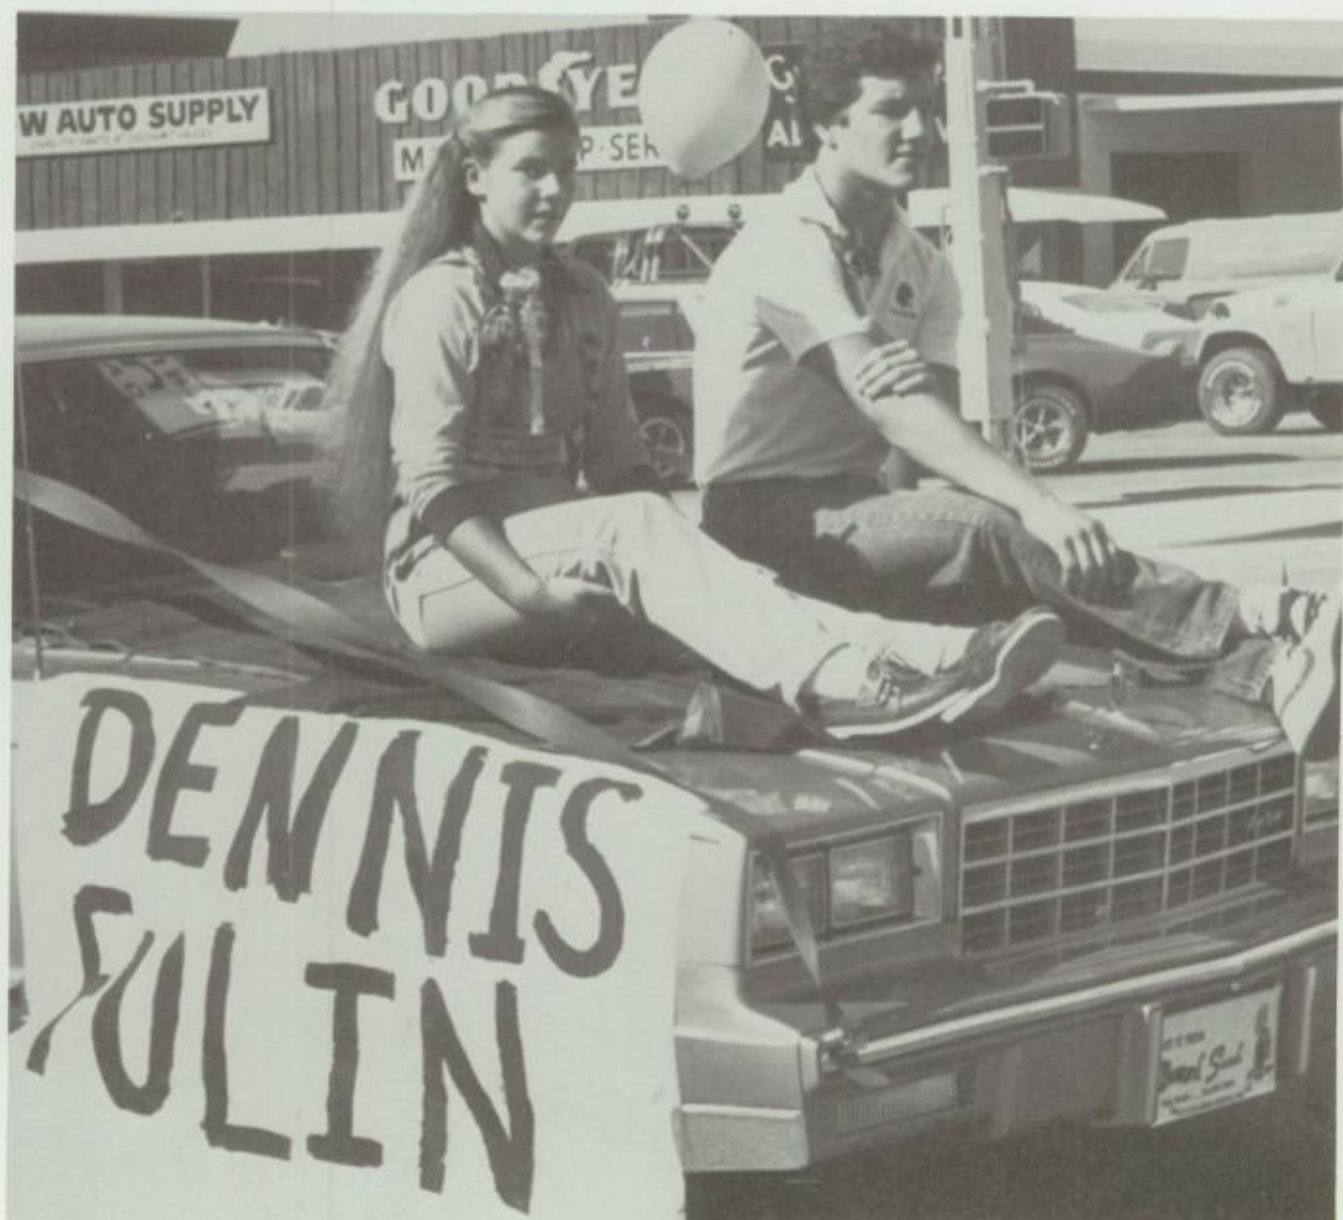

For those who did not take part in dressing up — they still enjoyed the week as there were many creative costumes to be seen on campus.

Spirit week has always been great but this year it was really an enjoyable event. There was a lot of participation and a lot of super costumes.

"Color of Champions"

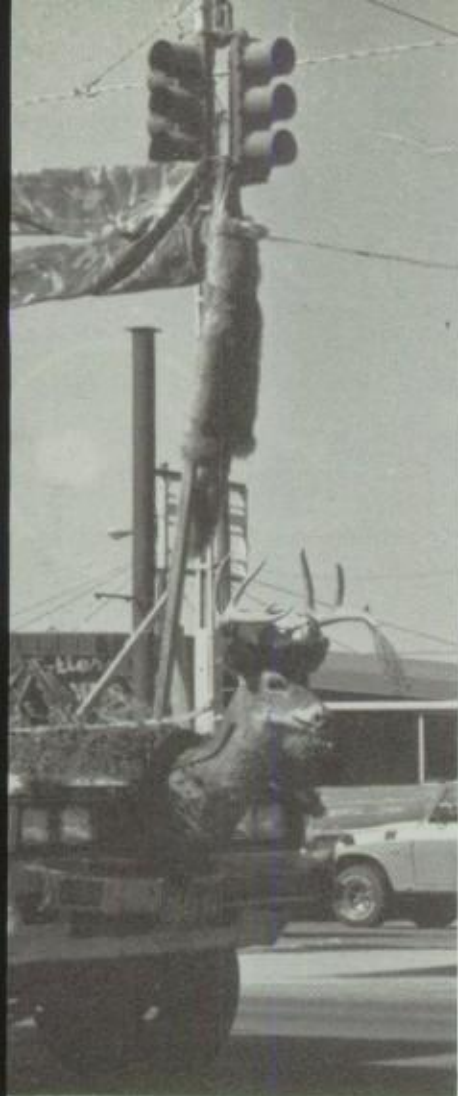

"Color of Champions" was this year's homecoming theme. And that's exactly what we are! Keeping up with our Wolverine pride we made homecoming unforgettable. At half time we had a little excitement when Jerry Foster brought Kelly Richter, our homecoming queen, to a safe landing in his helicopter to meet the homecoming king, Shorty Donahue. The royal couple then walked through a tunnel created by the JROTC Drill Team, while the band played "Fiero". The Pom Line then performed a number to "We Got The Beat". Then it ended with class floats and our royalty riding in Corvettes. This year's royalty for senior king was Shorty Donahue, his queen was Kelly Richter, the junior prince was Kip Barnes and his princess was Lisa Salinas. The sophomore prince was David Aros and the princess was Kristen Richter. The freshman prince was Frank Burrell and the freshman princess was Lisa Hysong. The football game was great too as we beat Carl Hayden 42-0.

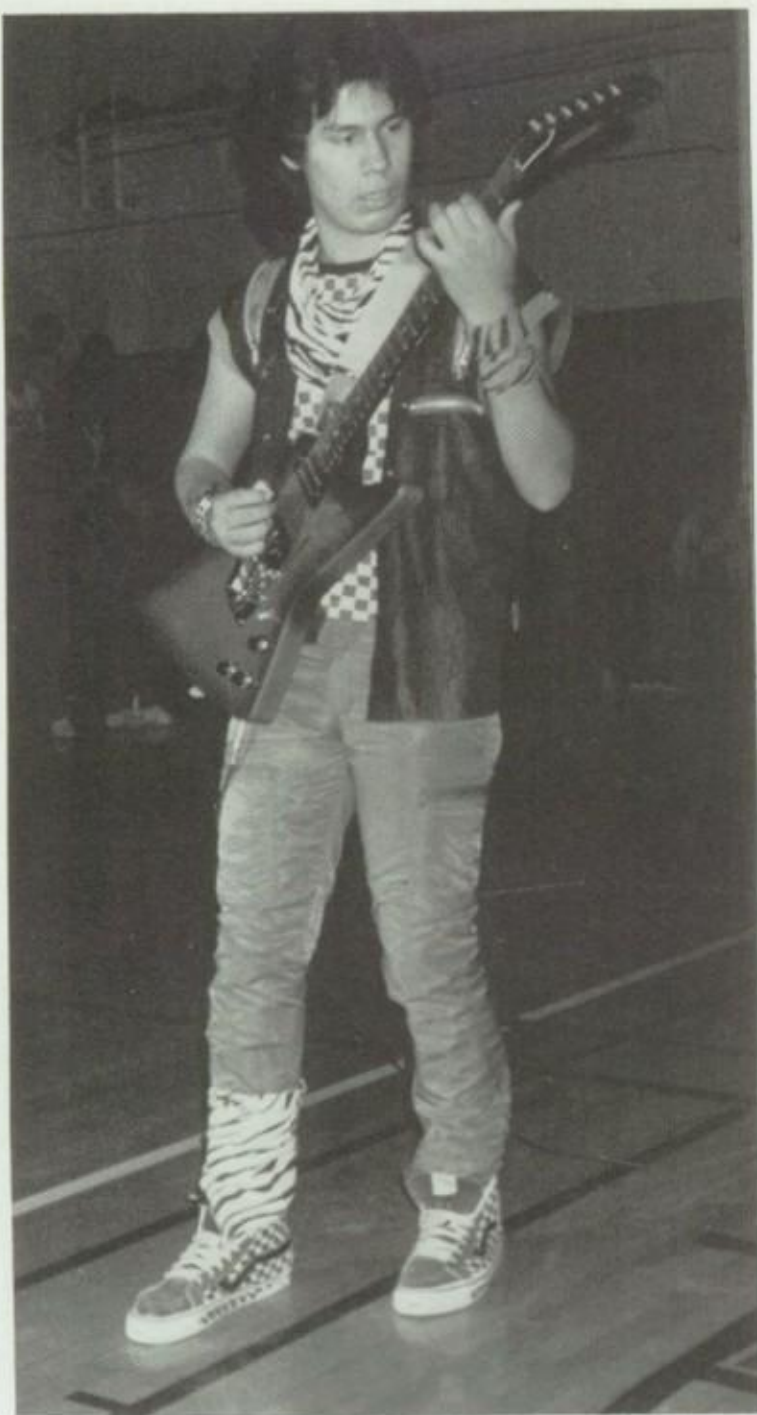

I Love A Parade

One of the most exciting events of this years homecoming festivities was the design, construction, and display of the homecoming floats. Using the theme "Color of Champions" all four classes put forth their best effort to make a float they could be proud of. It was yet another chance for everyone to exhibit their school spirit and enthusiasm. The sophomore float won, but it was well deserved after many long hours of hard work. The float was composed mainly of paper flowers. There was a big "T" for Tolleson and a goal post complete with a football passing over it. It's appearance was simple but there was really a lot of work involved.

The "B" class winner (clubs and organizations) was the Hiking Club. The base of the float was a Datsun pickup truck. Mounted to the truck, in various ways, were such hiking like items as a plywood mountain, a deer head, a coyote pelt, a camp fire, hiking boots, trees, bushes, and scrubs and a tent. This, of course, is a partial listing only.

Shown above Talent Show contestant Tony Medina and Talent Show winners Misty Wyrick and Tammy Bowman.

Shown at right is the Homecoming King and Queen, Shorty Donahue and Kelly Richter.

Talk About Homecoming

"(Homecoming) was special for many people, including myself." — Carol Tedder

"I hope Homecoming can always be so much fun" — Marcy Schulenberg.

"Homecoming is a time to renew old friendships and to see the alumni" — Dee Reid

"Homecoming is a very special time for all the students" — Debbie Hurley

"It's (Homecoming) a great time to laugh and have a lot of fun." — Nancy Dias

Tolleson Union High School's Board of Education

The Board of Education is shown above, they are: (seated) Mr. Armando Morado, Member; Mr. Ronald Renyer, President; Mr. Burnett Watkins, Clerk. (standing) Mr. James Johnson, Member; Mr. John McMurdie, Member.

The members of the Tolleson Union High School Board of Education have always displayed a strong commitment to education. This commitment to education was evidenced in several recent policy decisions made by the Board: The Academic Standards Policy, a strong Attendance Policy, a strong Tardy Policy, and a strong Discipline Policy. These policies are a result of the rapid growth of the Tolleson District (over 2000 students in 1984-1985) and the Boards firm commitment to solid academic education.

With this growth comes the planning for a new campus. Tolleson will add a second high school for the 1986-1987 school year. The school will be located near 107th Avenue and Indian School Road. A bond issue passed by the district voters in February authorizes the sale of \$19.5 million in bonds for purchase of the land and construction of the new school.

Standards are high at Tolleson, for we are always involved in the pursuit of excellence in our education. Board members who care about our education help make Tolleson one of the finest schools in the valley.

. . . and last, but not least, the Yearbook Staff

The Yearbook Staff is shown above they are: (top row) Dana Sokolis, Julie Serrata, Richard Valenzuela, Janet Maxwell, (bottom row) Ken Jaeger, Sean Leach, Gabriel Moreno, Paulette Valdo, Sherri Battelle and Leslie Howard.

"Teamwork and patience is a big part of producing a yearbook. Not only sharing a class together but being able to work together is very important in putting a yearbook together. Being able to take constructive criticism is very important in this class. Not only did we put together a yearbook, we put together an "unforgettable" yearbook.

Being part of the yearbook staff is an honor and a privilege. Knowing that we are the preservers of your past that holds the key to your future."

— The Yearbook Staff
